Re: 2021 CDBG Chisholm Valley Sidewalks, Phase II
Engineer's Recommendation of Award of Contract

A total of 6 sealed bids were received and opened on January 16, 2024 for the above referenced project. The bids ranged from $331,753.50 to $552,479. G2 Company from Austin, TX submitted the lowest bid in the amount of $331,753.50. However, their bid package did not contain some of the required information. As a result, the bid package from G2 Company was rejected for being incomplete.

The second lowest bid in the amount of $343,382.25 was submitted by Dig Dug Construction from Austin, TX.

After reviewing the contractor's experience and bid price, I recommend award of this project to Dig Dug Construction in the amount of $343,382.25.

Sincerely,

Matt Bushak, P.E.
Senior Transportation Engineer
