Consider a resolution authorizing the Mayor to execute an Interlocal Agreement with the Capital Area Emergency Communications District for Public Safety Answering Point Maintenance, Equipment, and Training for FY2019.

This reoccurring interlocal contract provides for the City's participation in the regional enhanced 9-1-1 system. The contract allows the City to maintain its PSAP, upgrade 9-1-1 equipment, and train personnel to operate the system. Under the terms of the agreement, the district compensates the City $5,000 for the purchase of operational supplies.

This is a regular renewal whose term runs from October 1, 2018, through September 30, 2020.
