Consider a resolution authorizing the Mayor to execute an Interlocal Cooperation Contract with Texas Department of Public Safety for purchase of alcohol and drug testing supplies.

The City regularly enters into cooperative agreements with the Texas Department of Public Safety (DPS) to allow the Police Department to purchase a variety of items, including alcohol and drug-testing supplies, through the state. The Police Department purchases alcohol blood test kits through for use by police officers in the field through this agreement. DPS requires police departments to use its kits in order to use DPS to process the result of those kits. This agreement does not commit the City to purchase kits; it only allows the City to do so. The Department spends less than $700 on these kits annually.The proposed contract is a routine item that expires in 2017.

Cost: $700.00
Source of Funds: General Fund

Staff recommends approval.
