Consider a resolution authorizing the City Manager to issue a Purchase Order to Silsbee Ford for the purchase of two (2) 2015 Ford F-450 Trucks.

During the FY-15 budget process, a number of vehicles and equipment were recommended for replacement in the Utility & Environmental Services Department. Due to budget restraints some of these vehicles and equipment were not approved. While meeting with utilities it was determined that there was a need to switch a few vehicles and keeping some in the fleet that had recent repairs and replacing others that had high mileage.

Cost: $83,896.40
