Consider a resolution authorizing the City Manager to issue a Purchase Order to Presidio Networked Solutions Group, LLC for networking equipment for the Public Safety Training Center.

This item is for the purchase of IT networking equipment necessary to connect the Public Safety Training Center to the City fiber WAN (wide area network). This equipment will provide wired and wireless network connectivity throughout the facility necessary for staff and visitors to access the internet. It also facilitates connectivity to mission critical City of Round Rock network resources housed in our Police and City Hall datacenters including the Police\Fire Dispatch system, Police records system, Fire records system, citywide VOIP phone system, and CORR\RRTX-WiFi wireless networks.

This is a component of the Public Safety Training Center project included in the the 2013 voter approved bond authorization.

Cost: $104,702.78
Source of Funds: General Self-Financed Construction
