Consider an ordinance amending Chapter 42, Section 42-128, Code of Ordinances (2010 Edition), by amending a school speed zone on a portion of Wyoming Springs Drive. (Second Reading)

The Transportation Department, in cooperation with the Round Rock Police Department, recommend the extension of the limits of the reduced speed school zone on Wyoming Springs Drive at Behrens Parkway. This ordinance will increase this school zone to 1,280 feet in length, beginning approximately 230 feet south of the Behrens Parkway intersection and ending approximately 200 feet north of the Goldenoak Circle intersection. The need for this adjustment arose from changing traffic patterns due to new road connections to the north. This ordinance does include the prohibition of cell phone use during active periods.

Staff recommends approval.
