Consider a resolution authorizing the City Manager to issue a Purchase Order to Axon Enterprises, Inc. for TASER equipment for the Police Department.

Round Rock Police Department officers are assigned TASER Inc. Conducted Electricity Weapons (CEWs) as a required piece of equipment that is necessary for performance of their duties.

This purchase would cover the cost of the required equipment and accessories in addition to an extended warranty that will cover all replacements for five years. The initial purchase cost for 41 TASERs, accessories, and the first year of extended warranty totals $54,492.98. The extended warranty is $10,058.22 annually. The total cost of the initial purchase and the subsequent four years of warranty is $95,259.08. This warranty will cover routine maintenance and replacements that result from use.

Based on the fact that TASER International is a sole source provider of the product, there was not a solicitation of bids for this contract.

Cost: $95,257.08
Source of Funds: General Fund
