Consider a resolution authorizing the Mayor to execute an Agreement with Brenntag Southwest, Inc. for the purchase of swimming pool chemicals.

The Round Rock Parks and Recreation Department operates four heavily used aquatic facilities, Rock'n River Water Park, Micki Krebsbach Pool, Lake Creek Pool and CMRC Indoor Pool. Three of these pools are used year-round as well as the City Hall Fountain. This agreement is for the bulk purchase of liquid chlorine and sulfuric acid which would allow us to order chemicals when needed to satisfy operating requirements.

This agreement is for five years and we anticipate spending $46,910.50 per year on bulk pool chemicals.

Cost: $46,910.55
