Consider a resolution authorizing the Mayor to execute a Contract for Engineering Services with Rodriguez Transportation Group, Inc. for the Gattis School Road (Segment 3) Project.

This agreement is for Engineering services to prepare a geometric schematic and subsequent plans, specifications, and estimate (PS&E). The limits for the proposed project are from 0.25 miles west of A. W. Grimes Blvd. to 0.20 miles east of Double Creek a total of 1.10 miles.

The geometric schematic will be developed to establish the ROW/easement requirements, preliminary cost estimate and other design parameters for the proposed improvements. The improvements will consist of reconstructing the existing four-lane roadway to a Major Arterial Divided (MAD) 6 with improved pedestrian and bicycle facilities. Right and left turn bays will be provided at the three major cross street intersections. The cost for this contract is $1,013,037.45

Cost: $1,013,037.45
