Consider an ordinance amending Chapter 44, Article VI, Code of Ordinances (2018 Edition), by adding new Section 44-153 regarding septic hauler fees. (Second Reading)

The Brushy Creek Regional Wastewater System (BCRWWS) allows septic haulers to dispose of their waste at the East Wastewater Treatment Plant (WWTP). Currently, the cost of disposal is $0.05 per gallon. The BCRWWS would like for the City of Round Rock to increase the disposal cost to $0.07 per gallon. In addition, there will be an annual permit fee of $50.00.

Revenue generated from these services is shared by the partner cities with BCRWWS.
