Consider a resolution authorizing the City Manager to issue a Purchase Order to Public Restroom Company for the purchase and installation of a prefabricated restroom facility at Clay Madsen Recreation Center.

This item will authorize the City Council to issue a Purchase Order to Public Restroom Company Inc. for the purchase and installation of a prefabricated restroom facility for the Clay Madsen Soccer Field Project.

The Clay Madsen Soccer Field Project included developing the vacant land next to the Clay Madsen Recreation Center to provide two full-size soccer fields and additional parking. In order to provide an improved user experience and to avoid taxing the Recreation Center's facilities, PARD believes these new soccer fields would be well-served by a prefabricated, stand-alone restroom facility.

***Cost: $134,840.00***
***Source of Funds: 2017 General Obligation Bonds***
