Waiver of Premium Payment

When a disabled Employee is approved for LTD benefits, all further LTD insurance premium payments for that individual will be waived during disability.

Flexible Billing

Self-bill and list-bill options are available. Payments can be made on a monthly basis by multiplying the total covered payroll for the month by the rate indicated on this proposal.

Claims Management

Madison National Life Insurance Company, Inc. (MNL) understands that a disability may not only be stressful for an Employee and his or her family, but also for the Employer. So, even though it's not part of an insurance policy, we believe part of our job is to reduce the stress associated with a disabling illness or injury. In coordination with our carrier partners, we employ the following methods for handling claims and assisting a successful return-to-work.

- › One point of contact – most groups assigned one claim specialist
- › Expedited answers – most calls returned in 24 hours or less
- › Rehabilitation intervention – vocational and site-modification programs
- › Patient advocacy – helps restore patient's outlook and manage disability
- › Social Security application assistance
- › Contact with claimant at certain milestones depending upon physical disease or injury

Claim payment method

School groups may choose to have benefits paid on a daily compensation basis. If elected, teachers and other "contract day" Employees will have their annual pay divided by the number of contract working days to determine a daily benefit. For "non-contract day" Employees, the claimant's annual pay will be divided by the number of months which is closest to his or her actual work year.

FICA Tax Savings

MNL will pay the Employer's portion of FICA withholding and release the Employer from 941 and W-2 reporting requirements. MNL does not require reimbursement from the Employer.

KEY DEFINITIONS AND PROVISIONS

Employee Eligibility

To be eligible for insurance, the Candidate must be an Employee who works for the Employer as a member of an Eligible Class who is reported on the Employer's records for Social Security and tax withholding purposes. The Candidate must be Actively at Work and capable of sustained Active Work on the effective date of their coverage and must be meeting the Minimum Hourly Work Requirement. The Candidate cannot be a full-time member of the armed forces of any country, leased Employee or independent contractor and must satisfy their Waiting Period.

Maximum Benefit Period

Class 01:

Age at Disablement	Benefit Duration*
61 or younger	to age 65
62	3-1/2 years
63	3 years
64	2-1/2 years
65	2 years
66	1-3/4 years
67	1-1/2 years
68	1-1/4 years
69 or older	1 year

*To the later of: 1) the specified length of time as stated above, or 2) the day before attaining the Social Security Normal Retirement Age under the United States Social Security Act, as revised.

Income That Reduces Disability Payments

Disability income from the Social Security Administration, any Employer Retirement Plan and other deductible sources of income will be deducted from the insured's income for purposes of calculating benefits unless otherwise stated in the Plan Details section of this proposal. After the first deduction for Social Security benefits, the monthly benefit will not be further reduced due to any cost of living increase payable under Social Security benefits.

If the insured is eligible for Social Security Disability benefits, but chooses instead to receive Social Security Retirement benefits, this plan will estimate the amount of the eligible Social Security Disability benefit and reduce the gross LTD benefit with the estimated amount.

Income That Does Not Reduce Disability Payments

This policy will not deduct individual disability insurance benefits, accelerated benefits under a life insurance policy, group credit or mortgage disability insurance benefits, or deferred compensation from the insured's income for the purpose of calculating benefits. Also, the insured's benefit payments will not be reduced by income earned through an occupation held in addition to the own occupation prior to becoming disabled, unless that income exceeds the amount earned immediately prior to disablement.

Definition of Disability

Disability or Disabled means that during the Elimination Period and the Own Occupation Period the Insured is, as a result of Physical Disease, Injury, Mental Disorder, Substance Abuse or Pregnancy, unable to perform one or more of the Material Duties of their Own Occupation, and, due to such inability, their Work Earnings are less than 80% of their Indexed Predisability Earnings, and they are incapable of earning 80% or more of their Indexed Predisability Earnings.

After the Own Occupation Period ends, Disability and Disabled means the Insured is, as a result of Physical Disease, Injury, Mental Disorder, Substance Abuse or Pregnancy, unable to perform one or more of the

Material Duties of Any Occupation, and, due to such inability, their Work Earnings are less than 80% of their Indexed Predisability Earnings, and they are incapable of earning 80% or more of their Indexed Predisability Earnings.

Exclusions

Disabilities which are caused by or which the following contributed to are not insured by this plan:

- › War or any act of war, declared or undeclared
- › Active participation in a violent disorder or riot
- › Commission of, or attempt to commit, any crime or while engaging in an illegal activity
- › Intentionally self-inflicted injury or attempted suicide
- › During military leave in the armed forces of any state or country
- › No disability benefits will be paid while confined in a penal/correctional institution or under house arrest
- › Motor-driven Vehicle in a race, stunt show, or speed test; or while testing any vehicle on any racecourse or speedway

Pre-Existing Conditions

The Insured is not covered for a Disability caused or contributed to by a Pre-existing Condition or medical or surgical treatment of a Pre-existing Condition unless they have been continuously insured under the Group Policy for at least 12 months.

If the Insured is not covered for a Disability because of the Pre-existing Condition exclusion for their current LTD insurance, they are not covered for that same Disability for any LTD insurance increase because of an Eligible Class or Group Policy change.

LTD insurance increase because of an Eligible Class or Group Policy change. The Insured is not covered for a Disability caused or contributed to by a Pre-existing Condition or medical or surgical treatment of a Pre-existing Condition unless they have been continuously insured under the Group Policy for at least 12 months from the effective date of the LTD insurance increase

Pre-existing Condition means a mental or physical condition whether or not diagnosed or misdiagnosed for which the Insured has consulted a Physician or other licensed medical professional, received medical treatment, services or advice, undergone diagnostic procedures, including self-administered procedures, or taken prescribed drugs or medications at any time during the 3 month period just before the effective date of the Insured's insurance under the Group Policy or the effective date of the LTD insurance increase.

Limitations

Mental Disorders and Substance Abuse. LTD Benefit payments based on a Mental Disorder or Substance Abuse are limited to 24 months for each period of continuous Disability. This is not a separate maximum for each such condition, but a combined maximum for Mental Disorders or Substance Abuse, either separate or combined.

If Disability is caused by Substance Abuse, the Insured must be participating in an available rehabilitative program recommended by a Physician. An available rehabilitative program is a Substance Abuse program available to the Insured through either: (i) another group plan of the Employer (such as an Employee Assistance Program or Medical Plan); or (ii) services generally available to the public through local community services at no or minimal cost to the Insured. Except as otherwise provided for below, LTD benefits will not be made beyond the earlier of the following:

- › the date on which LTD Benefits have been paid for the maximum duration specified in subsections A1 and A3 or under the Maximum Benefit Period;
- › the date the Insured are no longer participating in the rehabilitative program;
- › the date the Insured refuses to participate in an available rehabilitative program; or
- › the date the Insured completes the rehabilitative program.

If at the end of that 24 month period, the Insured is confined in a Hospital, or other facility qualified to provide necessary care and treatment for Mental Disorders or Substance Abuse, for at least 30 days

immediately following that 24 month period, LTD Benefits will continue for up to an additional 90 consecutive days following the date confinement ends, not to exceed the Maximum Benefit Period.

Foreign Residency. Payment of LTD Benefits is limited to 6 months for each period of continuous Disability while the Insured resides outside of the United States or Canada.

Payment Limit. In no event will the LTD Benefit plus Deductible Income plus Work Earnings exceed 100% of Predisability Earnings. In the event the Insured's LTD Benefit plus Deductible Income plus Work Earnings exceeds 100% of Predisability Earnings, the LTD Benefit will be reduced by the amount in excess of 100% of Predisability Earnings, subject to the Minimum Monthly Benefit.
