

CAMPO FTA Section 5310 – Fiscal Year 2019 Call for Projects

Program Information

Capital Metro is the designated recipient for the 5310 funds and will administer the project. Selected applicants will enter into a grant agreement with Metro and are subject to federal, state and local requirements related to the project. Reporting will vary depending on the type of project. As a direct recipient of FTA's, the City already meets the federal requirements for this program.

Due: December 20, 2019

Project Description

The 5310 program is intended to enhance mobility for seniors and person with disabilities by providing funding to serve the special needs of the transit-dependent. The bus shelter project is eligible for 5310 funding as it will improve accessibility to the fixed route system.

Bus stops are a key link in the journey of a bus rider, for people with disabilities and elderly persons. Inaccessible bus stops often limit their mobility and potentially lead to increased paratransit use, resulting in additional costs. A bus shelter provides seating and protection from the elements while passengers wait for the bus. Locations for the shelters will be placed at those stops with high ridership, located near shopping centers, senior housing and schools.

Budget:

Five (5) Shelters @ \$14,000	\$70,000 (includes benches & trash cans)
Installation	<u>17,500</u>
Total	\$87,500

Funding:

5310 Grant (80%)	\$70,000
Local Match (20%)*	<u>17,500</u>
Total	\$87,500
