B. D. After execution of this Contract, Consultant shall not proceed with any services until authorized in writing by City to proceed as provided in herein.

Consultant and City agree that the Scope of Services to be performed is enumerated in Exhibit "A," and may only be modified by a written Supplemental Agreement executed by both parties as described in Section 9.0.

4.0 CONTRACT AMOUNT

In consideration for the consulting services Consultant shall be paid on the basis of actual hours worked by employees performing work associated with this Agreement, in accordance with the Fee Schedule attached hereto as Exhibit "B," and incorporated herein by reference for

all purposes.

Consultant's total compensation for consulting services hereunder shall not exceed **One Million and No/100 Dollars (\$1,000,000.00)**. Such invoices for professional services shall track the referenced Scope of Work, and shall detail the services performed, along with documentation for each service performed. Payment to Consultant shall be made on the basis of the invoices submitted by Consultant and approved by the City. Such invoices shall conform to the schedule of services and costs in connection therewith.

Should additional backup material be requested by the City relative to service deliverables, Consultant shall comply promptly. In this regard, should the City determine it necessary, Consultant shall make all records and books relating to this Agreement available to the City for inspection and auditing purposes.

Payment of Invoices: The City reserves the right to correct any error that may be discovered in any invoice that may have been paid to Consultant and to adjust same to meet the requirements of this Agreement. Following approval of an invoice, the City shall endeavor to pay Consultant promptly, but no later than the time period required under the Texas Prompt Payment Act described in Section 8.01 herein. Under no circumstances shall Consultant be entitled to receive interest on payments which are late because of a good faith dispute between Consultant and the City or because of amounts which the City has a right to withhold under this Agreement or state law. The City shall be responsible for any sales, gross receipts or similar taxes applicable to the services, but not for taxes based upon Consultant's net income.

6.0 INSURANCE

Consultant shall meet all City of Round Rock Insurance Requirements set forth at:
<https://www.roundrocktexas.gov/wp-content/uploads/2024/12/CORR-Insurance-08-2024.pdf>

7.0 PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, any payment to be made by the City to Consultant will be made within thirty (30) days of the date the performance of the services under this Agreement are completed, or the date the City receives a correct invoice for the services, whichever is later. Consultant may charge interest on an overdue payment at the "rate in effect" on September 1 of the fiscal year in which the payment becomes overdue, in accordance with V.T.C.A., Texas Government Code, Section 2251.025(b). This

Prompt Payment Policy does not apply to payments made by the City in the event:

- (a) There is a bona fide dispute between the City and Consultant, a contractor, subcontractor, or supplier about the service performed that cause the payment to be late; or
- (b) There is a bona fide dispute between Consultant and a subcontractor or between a subcontractor and its supplier about the service performed that causes the payment to be late; or
- (c) The terms of a federal contract, grant, regulation, or statute prevent the City from making a timely payment with federal funds; or
- (d) The invoice is not mailed to the City in strict accordance with any instruction on the purchase order relating to the payment.

8.0 NON-APPROPRIATION AND FISCAL FUNDING

This Agreement is a commitment of the City's current revenues only. It is understood and agreed that the City shall have the right to terminate this Agreement at the end of any City fiscal year if the governing body of the City does not appropriate funds sufficient to purchase the services as determined by the City's budget for the fiscal year in question. The City may affect such termination by giving Consultant a written notice of termination at the end of its then-current fiscal year.

9.0 SUPPLEMENTAL AGREEMENT

The terms of this Agreement may be modified by written Supplemental Agreement hereto, duly authorized by City Council or by the City Manager, if the City determines that there has been a significant change in (1) the scope, complexity, or character of the services to be performed; or (2) the duration of the work. Any such Supplemental Agreement must be executed by both parties within the period specified as the term of this Agreement. Consultant shall not perform any work or incur any additional costs prior to the execution, by both parties, of such Supplemental Agreement. Consultant shall make no claim for extra work done or materials furnished unless and until there is full execution of any Supplemental Agreement, and the City shall not be responsible for actions by Consultant nor for any costs incurred by Consultant relating to additional work not directly authorized by Supplemental Agreement.

10.0. WORK AUTHORIZATION

Consultant shall not proceed with any task listed on Exhibit "A" until the City has issued a written Work Authorization regarding such task. The City shall not be responsible for work performed or costs incurred by Consultant related to any task for which a Work Authorization has not been issued.

11.0 TERMINATION AND DEFAULT

Termination: It is agreed and understood by Consultant that the City or Consultant may terminate this Agreement for the convenience of the City or Consultant, upon thirty (30) days' written notice to Consultant or City, with the understanding that immediately upon receipt of said notice all work being performed under this Agreement shall cease. Consultant shall invoice the City for work satisfactorily completed and shall be compensated in accordance with the terms hereof for work accomplished prior to the receipt of said notice of termination. Consultant shall not be entitled to any lost or anticipated profits for work terminated under this Agreement. Unless otherwise specified in this Agreement, all data, information, and work product related to this Project shall become the property of the City upon termination of this Agreement, and shall be promptly delivered to the City in a reasonably organized form without restriction on future use. Should the City subsequently contract with a new consultant for continuation of service on the Project, Consultant shall cooperate in providing information.

Termination of this Agreement shall extinguish all rights, duties, and obligations of the terminating party and the terminated party to fulfill contractual obligations. Termination under this section shall not relieve the terminated party of any obligations or liabilities which occurred prior to termination.

Nothing contained in this section shall require the City to pay for any work which it deems unsatisfactory or which is not performed in compliance with the terms of this Agreement.

Default: Either party may terminate this Agreement, in whole or in part, for default if the Party provides the other Party with written notice of such default and the other fails to satisfactorily cure such default within ten (10) business days of receipt of such notice (or a greater time if agreed upon between the Parties).

If default results in termination of this Agreement, then the City shall give consideration to the actual costs incurred by Consultant in performing the work to the date of default. The cost of the work that is useable to the City, the cost to the City of employing another firm to complete the useable work, and other factors will affect the value to the City of the work performed at the time of default. Neither party shall be entitled to any lost or anticipated profits for work terminated for default hereunder.

The termination of this Agreement for default shall extinguish all rights, duties, and obligations of the terminating Party and the terminated Party to fulfill contractual obligations. Termination under this section shall not relieve the terminated party of any obligations or liabilities which occurred prior to termination.

Nothing contained in this section shall require the City to pay for any work which it deems unsatisfactory, or which is not performed in compliance with the terms of this Agreement.

12.0 NON-SOLICITATION

Except as may be otherwise agreed in writing, during the term of this Agreement and for twelve (12) months thereafter, neither the City nor Consultant shall offer employment to or shall employ any person employed then or within the preceding twelve (12) months by the other or any affiliate of the other if such person was involved, directly or indirectly, in the performance of this Agreement. This provision shall not prohibit the hiring of any person who was solicited solely through a newspaper advertisement or other general solicitation.

13.0 INDEPENDENT CONTRACTOR STATUS

Consultant is an independent contractor, and is not the City's employee. Consultant's employees or subcontractors are not the City's employees. This Agreement does not create a partnership, employer-employee, or joint venture relationship. No party has authority to enter into contracts as agent for the other party. Consultant and the City agree to the following rights consistent with an independent contractor relationship:

- (1) Consultant has the right to perform services for others during the term hereof.
- (2) Consultant has the sole right to control and direct the means, manner and method by which it performs its services required by this Agreement.
- (3) Consultant has the right to hire assistants as subcontractors, or to use employees to provide the services required by this Agreement.
- (4) Consultant or its employees or subcontractors shall perform services required hereunder, and the City shall not hire, supervise, or pay assistants to help Consultant.
- (5) Neither Consultant nor its employees or subcontractors shall receive training from the City in skills necessary to perform services required by this Agreement.
- (6) City shall not require Consultant or its employees or subcontractors to devote full time to performing the services required by this Agreement.

14.0 CONFIDENTIALITY AND MATERIALS OWNERSHIP

Any and all programs, data, or other materials furnished by the City for use by Consultant in connection with services to be performed under this Agreement, and any and all data and information gathered by Consultant, shall be held in confidence by Consultant as set forth hereunder. Each party agrees to take reasonable measures to preserve the confidentiality of any proprietary or confidential information relative to this Agreement, and to not make any use

thereof other than for the performance of this Agreement, provided that no claim may be made for any failure to protect information that occurs more than three (3) years after the end of this Agreement.

The parties recognize and understand that the City is subject to the Texas Public Information Act and its duties run in accordance therewith.

All data relating specifically to the City's business and any other information which reasonably should be understood to be confidential to City is confidential information of City. Consultant's proprietary software, tools, methodologies, techniques, ideas, discoveries, inventions, know-how, and any other information which reasonably should be understood to be confidential to Consultant is confidential information of Consultant. The City's confidential information and Consultant's confidential information is collectively referred to as "Confidential Information." Each party shall use Confidential Information of the other party only in furtherance of the purposes of this Agreement and shall not disclose such Confidential Information to any third party without the other party's prior written consent, which consent shall not be unreasonably withheld. Each party agrees to take reasonable measures to protect the confidentiality of the other party's Confidential Information and to advise their employees of the confidential nature of the Confidential Information and of the prohibitions herein.

Notwithstanding anything to the contrary contained herein, neither party shall be obligated to treat as confidential any information disclosed by the other party (the "Disclosing Party") which: (1) is rightfully known to the recipient prior to its disclosure by the Disclosing Party; (2) is released by the Disclosing Party to any other person or entity (including governmental agencies) without restriction; (3) is independently developed by the recipient without any reliance on Confidential Information; or (4) is or later becomes publicly available without violation of this Agreement or may be lawfully obtained by a party from any non-party. Notwithstanding the foregoing, either party will be entitled to disclose Confidential Information of the other to a third party as may be required by law, statute, rule or regulation, including subpoena or other similar form of process, provided that (without breaching any legal or regulatory requirement) the party to whom the request is made provides the other with prompt written notice and allows the other party to seek a restraining order or other appropriate relief. Subject to Consultant's confidentiality obligations under this Agreement, nothing herein shall preclude or limit Consultant from providing similar services for other clients.

Notwithstanding the foregoing, either party will be entitled to disclose Confidential Information of the other to a third party as may be required by law, statute, rule or regulation, including subpoena or other similar form of process, provided that (without breaching any legal or regulatory requirement) the party to whom the request is made provides the other with prompt written notice and allows the other party to seek a restraining order or other appropriate relief. Subject to Consultant's confidentiality obligations under this Agreement, nothing herein shall preclude or limit Consultant from providing similar services for other clients.

Neither the City nor Consultant will be liable to the other for inadvertent or accidental disclosure of Confidential Information if the disclosure occurs notwithstanding the party's

exercise of the same level of protection and care that such party customarily uses in safeguarding its own proprietary and confidential information.

Notwithstanding anything to the contrary in this Agreement, the City will own as its sole property all written materials created, developed, gathered, or originally prepared expressly for the City and delivered to the City under the terms of this Agreement (the "Deliverables"); and Consultant shall own any general skills, know-how, expertise, ideas, concepts, methods, techniques, processes, software, or other similar information which may have been discovered, created, developed or derived by Consultant either prior to or as a result of its provision of services under this Agreement (other than Deliverables). Consultant shall have the right to retain copies of the Deliverables and other items for its archives. Consultant's working papers and Consultant's Confidential Information (as described herein) shall belong exclusively to the Consultant. "Working papers" shall mean those documents prepared by Consultant during the course of performing the Project including, without limitation, schedules, analyses, transcriptions, memos, designed and developed data visualization dashboards and working notes that serve as the basis for or to substantiate the Project. In addition, Consultant shall retain sole and exclusive ownership of its know-how, concepts, techniques, methodologies, ideas, templates, dashboards, code and tools discovered, created or developed by Consultant during the performance of the Project that are of general application and that are not based on City's Confidential Information hereunder (collectively, "Consultant's Building Blocks"). To the extent any Deliverables incorporate Consultant's Building Blocks, Consultant gives City a non-exclusive, non-transferable, royalty-free right to use such Building Blocks solely in connection with the deliverables. Subject to the confidentiality restrictions mentioned above, Consultant may use the deliverables and the Building Blocks for any purpose. Except to the extent required by law or court order, City will not otherwise use, or sublicense or grant any other party any rights to use, copy or otherwise exploit or create derivative works from Consultant's Building Blocks.

City shall have a non-exclusive, non-transferable license to use Consultant's Confidential Information for City's own internal use and only for the purposes for which they are delivered to the extent that they form part of the Deliverables.

15.0 WARRANTIES

cure period set forth herein, then this Agreement may be terminated for default.

In no event will Consultant be liable for any loss, damage, cost or expense attributable to negligence, willful misconduct or misrepresentations by the City, its directors, employees or agents.

Neither party's liability, in contract, tort (including negligence) or any other legal or equitable theory, (a) shall exceed the professional fees paid or due to Consultant pursuant to this Agreement or (b) include any indirect, incidental, special, punitive or consequential damages, even if such party has been advised of the possibility of such damages. Such excluded damages include, without limitation, loss of data, loss of profits and loss of savings of revenue.

17.0 INDEMNIFICATION

Consultant shall save and hold harmless City and its officers and employees from all claims and liabilities due to activities of his/her/itself and his/her/its agents or employees, performed under this Agreement, which are caused by or which result from the negligent error, omission, or negligent act of Consultant or of any person employed by Consultant or under Consultant's direction or control.

Consultant shall also save and hold City harmless from any and all expenses, including but not limited to reasonable attorneys' fees which may be incurred by City in litigation or otherwise defending claims or liabilities which may be imposed on City as a result of such negligent activities by Consultant, its agents, or employees.

18.0 ASSIGNMENT AND DELEGATION

The parties each hereby bind themselves, their successors, assigns and legal representatives to each other with respect to the terms of this Agreement. Neither party may assign any rights or delegate any duties under this Agreement without the other party's prior written approval, which approval shall not be unreasonably withheld.

19.0 LOCAL, STATE, AND FEDERAL TAXES

In the event that no written assurance is given within the reasonable time specified when demand is made, then and in that event the demanding party may treat such failure an anticipatory repudiation of this Agreement.

31.0 MISCELLANEOUS PROVISIONS

City shall render decisions pertaining to Consultant's work promptly to avoid unreasonable delays in the orderly progress of Consultant's work.

Force Majeure. Waiver. No delay or omission by either party in exercising any right or power shall impair such right or power or be construed to be a waiver.
