 § KNOW ALL BY THESE PRESENTS:
COUNTY OF WILLIAMSON §

**I.
PURPOSE**

1.01 General. The purpose of this Agreement is to provide for the County’s participation in the design, right-of-way acquisition, utility relocation, and construction of the City Project.

II.
DESIGN AND CONSTRUCTION OF CITY PROJECT

2.01 Design of City Project. The City shall be responsible for contracting with a firm (“Design Firm”) regarding the engineering and design for the City Project. The County shall be included in the City's process for selection of all engineers and shall have the right of final approval of all engineers before contract execution. The City shall ensure that the design includes the following:

A new location six-lane road between Old Settlers Boulevard and University Boulevard.

2.03 Construction Plans. The City shall schedule periodic progress meetings with the County of not less than one per month, unless otherwise agreed by both Parties, and the County shall have the right to review and approve all construction documents prior to finalization by the engineer.

2.04 Permits. The City shall be responsible for obtaining permits, if any, required for the construction of the City Project.

2.05 Operation and Maintenance After Acceptance. City shall be responsible for the operation and maintenance of the City Project improvements within the City’s territorial limits.

III.
COUNTY OBLIGATIONS

3.01 Permission to Construct. The County agrees to allow the City to construct the City Project on and within County-owned right-of-way applicable.

3.02 County Payment. The County shall reimburse the City for the City Project in an amount not to exceed NINE MILLION AND NO/100 DOLLARS (\$9,000,000.00) for the design, right-of-way acquisition, and construction, including utility relocation costs (together “County Participation Amount”). The City will submit reimbursement requests up to the County Participation Amount using the following payment schedule: 25% upon full execution of the Agreement between the City and the County, 25% upon awarding bid, 25% when construction is 50% complete, as determined by the value of the work completed to date against the contract amount, and 25% upon substantial completion. The payment schedule is anticipated to follow the milestones identified in the anticipated project schedule shown in Exhibit “B” attached hereto.

3.03 Texas Prompt Payment Act Compliance. Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date Customer receives the goods under the contract; (2) the date the performance of the service under the contract is completed; or (3) the date the County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of County fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

3.04 County's Right to Audit. City agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of City which are directly pertinent to the services to be performed and amounts expended under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. City agrees that County shall have access during normal working hours to all necessary City facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give City reasonable advance notice of intended audits.

IV. DISPUTES

4.01 Material Breach; Notice and Opportunity to Cure.

(a) In the event that one Party believes that another Party has materially breached one of the provisions of this Agreement, the non-defaulting Party will make written demand to cure and give the defaulting Party up to 30 days to cure such material breach or, if the curative action cannot reasonably be completed within 30 days, the defaulting Party will commence the curative action within 30 days and thereafter diligently pursue the curative action to completion. Notwithstanding the foregoing, any matters specified in the default notice which may be cured solely by the payment of money must be cured within 10 days after receipt of the notice. This applicable time period must pass before the non-defaulting Party may initiate any remedies available to the non-defaulting party due to such breach.

(b) Any non-defaulting Party will mitigate direct or consequential damages arising from any breach or default to the extent reasonably possible under the circumstances.

(c) The Parties agree that they will negotiate in good faith to resolve any disputes and may engage in non-binding mediation, arbitration, or other alternative dispute resolution methods as recommended by the laws of the State of Texas.

4.02 Equitable Relief. In recognition that failure in the performance of the Parties' respective obligations could not be adequately compensated in monetary damages alone, the Parties agree that after providing notice and an opportunity to cure in accordance with Section 4.01 above, the Parties shall have the right to request any court, agency or other governmental authority of appropriate jurisdiction to grant any and all remedies which are appropriate to assure conformance to the provisions of this Agreement. The defaulting Party shall be liable to the other for all costs actually incurred in pursuing such remedies, including reasonable attorney's fees, and for any penalties or fines as a result of the failure to comply with the terms including, without limitation, the right to obtain a writ of mandamus or an injunction requiring the governing body of the defaulting party to levy and collect rates and charges or other revenues sufficient to pay the amounts owed under this Agreement.

4.03 Agreement's Remedies Not Exclusive. The provisions of this Agreement providing remedies in the event of a Party's breach are not intended to be exclusive remedies. The Parties retain, except to the extent released or waived by the express terms of this Agreement, all rights at law and in equity to enforce the terms of this Agreement.

5.02 Term. This Agreement shall commence upon execution of this Agreement and shall end upon the completion of the City Project and acceptance of the public improvements by the City.
