RE: Recommendation to Award – Bowman Park Improvements 2023

Dear Mr. Atkins,

As you are aware, on December 20, 2022 at 9:30 a.m., sealed bids were opened for the above referenced project. A total of two (2) bid proposals were submitted, with the lowest total bid submitted by Dig Dug Construction in the amount of \$393,031.04. The total base bid, which includes extension of the existing trail, replacement of site amenities (benches and trashcans), grass practice field and a new vehicular gate was \$306,544.00. The total for the Alternate Bid, which includes custom quarry block fencing, landscape irrigation, and gravel installation was \$86,487.04.

Based upon my review of the Bid Form and analysis of the funding available, I recommend the City of Round Rock accept the Base Bid as submitted by Dig Dug Construction in the total of \$306,544.00 as the best value for the City. If additional information is required, please advise.

Sincerely,

Katie Baker, PLA | ASLA
