Following approval of an invoice, the City shall endeavor to pay Consultant promptly, but no later than the time period required under the Texas Prompt Payment Act described in Section 8.01 herein. Under no circumstances shall Consultant be entitled to receive interest on payments which are late because of a good faith dispute between Consultant and the City or because of amounts which the City has a right to withhold under this Agreement or state law. ## **7.0 PROMPT PAYMENT POLICY**

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, any payment to be made by the City to Consultant will be made within thirty (30) days of the date the performance of the services under this Agreement are completed, or the date the City receives a correct invoice for the services, whichever is later. Consultant may charge interest on an overdue payment at the "rate in effect" on September 1 of the fiscal year in which the payment becomes overdue, in accordance with V.T.C.A., Texas Government Code, Section 2251.025(b). This Prompt Payment Policy does not apply to payments made by the City in the event:

- (a) There is a bona fide dispute between the City and Consultant, a contractor, subcontractor, or supplier about the service performed that cause the payment to be late; or
- (b) There is a bona fide dispute between Consultant and a subcontractor or between a subcontractor and its supplier about the service performed that causes the payment to be late; or
- (c) The terms of a federal contract, grant, regulation, or statute prevent the City from making a timely payment with federal funds; or
- (d) The invoice is not mailed to the City in strict accordance with any instruction on the purchase order relating to the payment.

## **8.0 NON-APPROPRIATION AND FISCAL FUNDING**

This Agreement is a commitment of the City's current revenues only. It is understood and agreed that the City shall have the right to terminate this Agreement at the end of any City fiscal year if the governing body of the City does not appropriate funds sufficient to purchase the services as determined by the City's budget for the fiscal year in question. The City may affect such termination by giving Consultant a written notice of termination at the end of its then-current fiscal year.

## **9.0 SUPPLEMENTAL AGREEMENT**

The terms of this Agreement may be modified by written Supplemental Agreement hereto, duly authorized by City Council or by the City Manager, if the City determines that there has been a significant change in (1) the scope, complexity, or character of the services to be performed; or (2) the duration of the work. Any such Supplemental Agreement must be executed by both parties within the period specified as the term of this Agreement. Consultant shall not perform any work or incur any additional costs prior to the execution, by both parties, of such Supplemental Agreement. Consultant shall make no claim for extra work done or materials furnished unless and until there is full execution of any Supplemental Agreement, and the City shall not be responsible for actions by Consultant nor for any costs incurred by Consultant relating to additional work not directly authorized by Supplemental Agreement.

## **10.0 TERMINATION; DEFAULT**

**Termination:** It is agreed and understood by Consultant that the City or Consultant may terminate this Agreement for the convenience of the City or Consultant, upon thirty (30) days' written notice to Consultant or City, with the understanding that immediately upon receipt of said notice all work being performed under this Agreement shall cease. Consultant shall invoice the City for work satisfactorily completed and shall be compensated in accordance with the terms hereof for work accomplished prior to the receipt of said notice of termination. Consultant shall not be entitled to any lost or anticipated profits for work terminated under this Agreement. Unless otherwise specified in this Agreement, all data, information, and work product related to this Project shall become the property of the City upon termination of this Agreement, and shall be promptly delivered to the City in a reasonably organized form without restriction on future use. Should the City subsequently contract with a new consultant for continuation of service on the Project, Consultant shall cooperate in providing information.

Termination of this Agreement shall extinguish all rights, duties, and obligations of the terminating party and the terminated party to fulfill contractual obligations. Termination under this section shall not relieve the terminated party of any obligations or liabilities which occurred prior to termination.

Nothing contained in this section shall require the City to pay for any work which it deems unsatisfactory or which is not performed in compliance with the terms of this Agreement.

**Default:** Either party may terminate this Agreement, in whole or in part, for default if the Party provides the other Party with written notice of such default and the other fails to satisfactorily cure such default within ten (10) business days of receipt of such notice (or a greater time if agreed upon between the Parties).

If default results in termination of this Agreement, then the City shall give consideration to the actual costs incurred by Consultant in performing the work to the date of default. The cost of the work that is useable to the City, the cost to the City of employing another firm to complete the useable work, and other factors will affect the value to the City of the work performed at the

time of default. Neither party shall be entitled to any lost or anticipated profits for work terminated for default hereunder.

The termination of this Agreement for default shall extinguish all rights, duties, and obligations of the terminating Party and the terminated Party to fulfill contractual obligations. Termination under this section shall not relieve the terminated party of any obligations or liabilities which occurred prior to termination.

Nothing contained in this section shall require the City to pay for any work which it deems unsatisfactory, or which is not performed in compliance with the terms of this Agreement.

Each party agrees to take reasonable measures to protect the confidentiality of the other party's Confidential Information and to advise their employees of the confidential nature of the Confidential Information and of the prohibitions herein.

Subject to Consultant's confidentiality obligations under this Agreement, nothing herein shall preclude or limit Consultant from providing similar services for other clients.

Neither the City nor Consultant will be liable to the other for inadvertent or accidental disclosure of Confidential Information if the disclosure occurs notwithstanding the party's exercise of the same level of protection and care that such party customarily uses in safeguarding its own proprietary and confidential information.
