#### **4.01 SCOPE OF WORK**

All items in Exhibit “A” are awarded to Services Provider. For purposes of this Agreement, City has issued documents delineating the required services (specifically IFB Solicitation Number 23-042 dated July 2023). Services Provider has issued its response agreeing to provide all such required services in all specified particulars. All such referenced documents are included in Exhibit “A” attached hereto and made a part hereof for all purposes. When taken together with the appended exhibits, this Agreement shall evidence the entire understanding and agreement between the parties and shall supersede any prior proposals, correspondence or discussions.

Services Provider shall satisfactorily provide all services described under the attached exhibits within the contract term specified in Section 2.01. Services Provider’s undertakings shall be limited to performing services for the City and/or advising City concerning those matters on which Services Provider has been specifically engaged. Services Provider shall perform its services in accordance with this Agreement, in accordance with the appended exhibits, in accordance with due care, and in accordance with prevailing industry standards for comparable services.

#### **5.01 DUAL PROVIDERS OF SERVICES**

The parties specifically acknowledge and agree that Services Provider shall be considered as one of two (2) providers (“dual providers”) of the specified goods and services (plumbing services). Services Provider specifically further acknowledges and agrees that this Agreement is not an exclusive agreement. City may, in its sole and unfettered discretion, elect to use either of the two providers in whatever order it deems most advantageous to City’s purposes. City may, in its sole and unfettered discretion, elect to use any other providers. City is not obligated to use or purchase any estimated annual quantity of goods, and no guarantee is made of any minimum or maximum purchase.

## **7.01 INVOICES**

All invoices shall include, at a minimum, the following information:

Other governmental entities within the State of Texas may be extended the opportunity to purchase off of the City's bid, with the consent and agreement of the successful services provider(s) and the City. Such agreement shall be conclusively inferred for the services provider from lack of exception to this clause in the services provider's response. However, all parties hereby expressly agree that the City is not an agent of, partner to, or representative of those outside agencies or entities and that the City is not obligated or liable for any action or debts that may arise out of such independently-negotiated "piggyback" procurements.

## **9.01 NON-APPROPRIATION AND FISCAL FUNDING**

This Agreement is a commitment of City's current revenues only. It is understood and agreed that City shall have the right to terminate this Agreement at the end of any City fiscal year if the governing body of City does not appropriate funds sufficient to purchase the services as determined by City's budget for the fiscal year in question. City may effect such termination by giving Services Provider a written notice of termination at the end of its then current fiscal year.

## **10.01 PROMPT PAYMENT POLICY**

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Services Provider will be made within thirty (30) days of the day on which City receives the performance, supplies, materials, equipment, and/or deliverables, or within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which City receives a correct invoice for the performance and/or deliverables or services, whichever is later. Services Provider may charge interest on an overdue payment at the "rate in effect" on September 1 of the fiscal year in which the payment becomes overdue, in accordance

with V.T.C.A., Texas Government Code, Section 2251.025(b); however, this Policy does not apply to payments made by City in the event:

- A. There is a bona fide dispute between City and Services Provider, a contractor, a subcontractor or supplier about the goods delivered or the service performed that cause the payment to be late; or
- B. The terms of a federal contract, grant, regulation, or statute prevent City from making a timely payment with federal funds; or
- C. There is a bona fide dispute between Services Provider and a subcontractor or between a subcontractor and its supplier about the goods delivered or the service performed that causes the payment to be late; or
- D. Invoices are not mailed to City in strict accordance with instructions, if any, on the purchase order or the Agreement or other such contractual agreement.

#### **11.01 GRATUITIES AND BRIBES**

City may, by written notice to Services Provider, cancel this Agreement without liability to Services Provider if it is determined by City that gratuities or bribes in the form of entertainment, gifts, or otherwise were offered or given by Services Provider or its agents or representatives to any City officer, employee or elected representative with respect to the performance of this Agreement. In addition, Services Provider may be subject to penalties stated in Title 8 of the Texas Penal Code.

#### **12.01 TAXES**

City is exempt from Federal Excise and State Sales Tax; therefore, tax shall not be included in Services Provider's charges.

#### **13.01 ORDERS PLACED WITH ALTERNATE SERVICES PROVIDERS**

In the event that no written assurance is given within the reasonable time specified when demand is made, then and in that event the demanding party may treat such failure as an anticipatory repudiation of this Agreement.

### **17.01 DEFAULT**

If Services Provider abandons or defaults under this Agreement and is a cause of City purchasing the specified goods elsewhere, Services Provider agrees that it may be charged the difference in cost, if any, and that it will not be considered in the re-advertisement of the service and that it may not be considered in future bids for the same type of work unless the scope of work is significantly changed.

B. In the event of any default by Services Provider, City has the right to terminate this Agreement for cause, upon ten (10) days' written notice to Services Provider.

C. Services Provider has the right to terminate this Agreement only for cause, that being in the event of a material and substantial breach by City or by mutual agreement to terminate evidenced in writing by and between the parties.

D. In the event City terminates under subsections (A) or (B) of this section, the following shall apply: Upon City's delivery of the referenced notice to Services Provider, Services Provider shall discontinue all services in connection with the performance of this Agreement and shall proceed to cancel promptly all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after such notice of termination, Services Provider shall submit a statement showing in detail the goods and/or services satisfactorily performed under this Agreement to the date of termination. City shall then pay Services Provider that portion of the charges, if undisputed. The parties agree that Services Provider is not entitled to compensation for services it would have performed under the remaining term of the Agreement except as provided herein.

## **19.01 INDEMNIFICATION**

Services Provider shall defend (at the option of City), indemnify, and hold City, its successors, assigns, officers, employees and elected officials harmless from and against all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, attorney's fees, and any and all other costs or fees arising out of, or incident to, concerning or resulting from the fault of Services Provider, or Services Provider's agents, employees or subcontractors, in the performance of Services Provider's obligations under this Agreement, no matter how, or to whom, such loss may occur. Nothing herein shall be deemed to limit the rights of City or Services Provider (including, but not limited to the right to seek contribution) against any third party who may be liable for an indemnified claim.

## **20.01 COMPLIANCE WITH LAWS, CHARTER, AND ORDINANCES**

A. Services Provider, its agents, employees and subcontractors shall use best efforts to comply with all applicable federal and state laws, the Charter and Ordinances of the City of Round Rock, as amended, and with all applicable rules and regulations promulgated by local, state and national boards, bureaus and agencies.

#### PART IV SCOPE OF WORK

1. **PURPOSE AND BACKGROUND:** The purpose of this IFB is to assist the Stormwater Department in effectively managing the creek cleanup operations within public properties.  
 As part of the comprehensive Stormwater Master Plan, the City has conducted a thorough creek maintenance evaluation and developed an extensive creek maintenance plan. The primary objective of this plan is to ensure the ongoing maintenance and cleanup of creeks and channels located within the city limits. Currently, the City has identified approximately 35,000 linear feet (LF) of creeks that require regular debris removal maintenance.  
 Over time, certain segments of the creeks within the city limits have accumulated significant amounts of debris, which, if left unattended, could pose a potential flood risk. Therefore, it is crucial for the City to partner with an experienced and capable firm to address this issue promptly and efficiently.  
 The City of Round Rock is committed to maintaining the safety and well-being of its residents, and effective creek cleanup and debris removal play a vital role in achieving this objective. By implementing a comprehensive debris removal and tree-cutting program, we aim to mitigate potential flooding risks, enhance the aesthetic appeal of our creeks, and ensure the long-term sustainability of our stormwater infrastructure.  
 Interested firms are invited to submit their bids in response to this IFB, demonstrating their expertise, experience, and capacity to perform the required debris cleanup and tree-cutting services within the defined segments of our creeks. The City welcomes proposals that offer innovative approaches, environmentally responsible practices, and cost-effective solutions to address this critical maintenance need.
  
2. **SERVICE REQUIREMENTS:** The proposed work will be conducted in 1000 linear feet (LF) segments, with the City selecting one segment at a time from the exhibit attached to this letter. Upon completion of work on the first segment, another 1000 LF segment will be chosen for cleanup, and this process will continue. The scope of work for each selected segment will include:
