	Rock Note	*** IMPORTANT NOTE CONCERNING ROCK *** If rock is encountered while drilling, and no rock driller has been reserved in advance of the installation, and it becomes necessary to bring in special equipment to drill holes, a rock charge equal to \$75.00 per hole will apply with a \$1,000 minimum. It is the customer's responsibility to supply Custom Swings of Texas with a soil test to determine if rock is present at the playground site. A rock charge will be added to the attached proposal based upon the above if the soil test shows rock within 30" of the top of grade.	0.00			0.00
