Introduction

Dear Round Rock Residents,

I am excited to present the City of Round Rock's Proposed Budget for fiscal year October 1, 2024 through September 30, 2025. This budget contains spending plans and revenue estimates for all City funds. This document, alongside our discussions, continues our tradition of excellence in service delivery, guided by the Council's vision for Round Rock to remain one of the premier cities in the nation. Despite the many challenges we face in the world today, Round Rock has consistently risen above them, thanks to our resilient spirit and solid long-term planning. I am confident we are on the right path, and I am continually impressed by our ability to move forward no matter the obstacle.

The City's most recent biennial citizen survey highlighted that traffic and transportation continues to be a top concern of our community. While major improvements to IH-35, SH 45, and US 79 remain under the jurisdiction of TxDOT and outside the scope of our City budget, this proposed budget does include significant funding for improvements to the City's transportation network that will provide relief to our residents. Some of these improvements include:

- Continued annual funding for **neighborhood street maintenance** with \$4.3 million for FY 2025. Since 2015, the City has allocated \$45.3 million to maintain neighborhood streets.
- Round Rock will spend **\$121.8 million on its road expansion program** with major construction including County Road 112, Chisholm Trail North Road, sections of Gattis School Road, Harrell Parkway, Eagles Nest, Old Settlers Boulevard, Red Bud Lane, and Wyoming Springs.

Introduction

Round Rock's **recreation and park** amenities set our City apart from many municipalities. The FY 2025 Proposed Budget includes funding for improvements and connections to these amenities that will continue to make Round Rock distinctive. Some of these improvements and connections include:

- **Trail connectivity.** Significant work is underway on East/West trail connections with expected completion of **Heritage Trail East** in 2025. This will complete the City's west to east trail system.
- Construction is estimated to begin on multiple Old Settlers Park 2023 voter-approved bond funded projects including, **Lakeview Area Improvements and Pavilion, Rock'N River expansion, New Recreation Center Complex, Track and Field Facilities**, and the **Multipurpose Complex expansion**.
- **Sports Center expansion**, another 2023 voter-approved bond project, is underway and estimated to be complete Fall 2025.
- Continued funding of our ever popular, **family-friendly events** including the **Fourth of July Parade, Hometown Holiday Lights, Light up the Lake, Music on Main, Arts Fest** and more. Funding is also included for a **Downtown Arts Receptionist** for the new **Art Center at the Griffith Building**.

The City continues to invest in the **historic downtown** in FY 2025 with new facilities and upgraded infrastructure in the heart of our community. Some of these upgrades include:

- **Remodel of the Griffith Building & Paseo**, currently under construction, to house the Round Rock Chamber of Commerce, Convention & Visitor Bureau and the Arts Center.
- Addition of **park land and trail connectivity** situated along **Brushy Creek** on the north side of **Downtown**.

Round Rock's widely popular **recreation and culture** programs have seen a large increase in participation and attendance. To maintain these high-value programs and events provided to our citizens, this year's proposed budget includes **three new employees** to join the City's award-winning **Parks & Recreation Department**.

Public Safety remains a top priority for the City Council and Round Rock consistently ranks as one of the safest cities in the nation. This proposed budget also includes funding for several initiatives to secure the highest level of public safety for years to come with 17 total new positions, including:

- **Ten Police Officers** to assist with the growth in demand for policing services. This will allow the department to maintain its ability to conduct proactive patrol of the City and maintain its existing response time to priority calls.
- Additional staff consisting of **six new Firefighters** aimed to improve the current staffing factor and **one administrative support position** to keep up with the growing demand of the Fire department.
- With the 2023 voter-approved bonds for public safety, construction will begin on **Fire Station 10** and the **Public Safety Training Center** classroom expansions and driving track.

Citywide Budget

The Fiscal Year 2025 Proposed Budget totals **\$682.2 million**. The expenses are categorized in the chart below:

Proposed Property Tax Rate

The **proposed property tax rate** for FY 2025 is **\$0.360** per \$100 of valuation, 1.8 cents more than the FY 2024 nominal rate of \$0.342.

- The proposed rate of \$0.360 is an increase of 2.9 cents or 8.6% above the no-new-revenue tax rate of \$0.331,
- New property valued at \$746 million was added to the property tax roll since last year. This amount of new property will generate \$2.7 million in additional property tax revenues for FY 2025.
- The City's tax rate is less than 25% of the average property owner's tax bill and *continues to be among the lowest in Central Texas and the State.*

The median taxable home value in Round Rock for FY 2025 is \$376,169. An **owner of a median taxable value home will pay \$113 per month** in City property taxes for next year. This increase pays for new police officers to maintain good public safety and pays for fire and parks staff and debt payments for voter-approved bond projects.

Sales tax continues to be an important revenue thanks to the strong local economy. These **sales tax revenues help the property tax rate** as well.

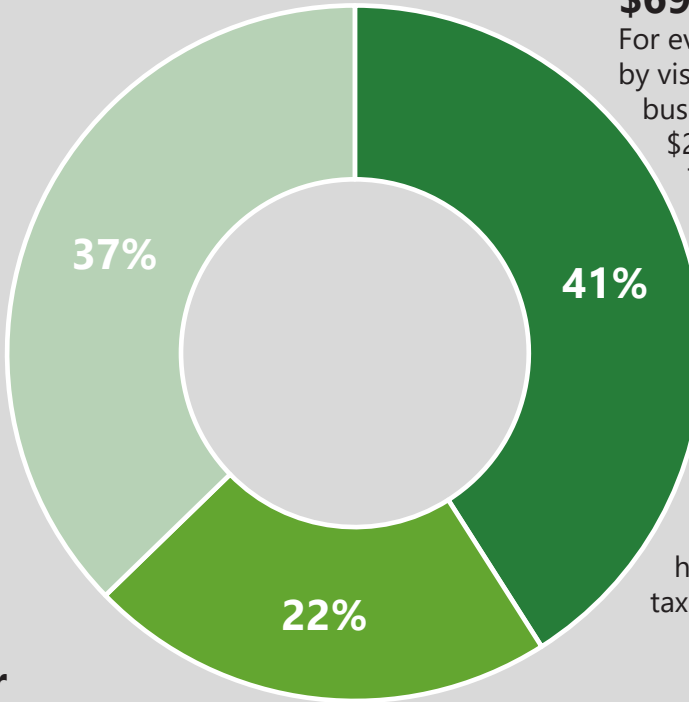

- Built into the 2% local option sales tax rate is a half-cent for property tax reduction.
- The half-cent sales tax reduces the property tax rate for FY 2025 by 11.7 cents. That saves the median homeowner \$37 a month or 25% on their monthly City tax bill.

General Fund Revenues

The City's General Fund Revenues come from a wide variety of revenue sources. A more detailed look at the General Fund Revenues is available in the FY 2025 Budget Workshop on the City's website.

Property Tax \$63.1M

The City's property taxes help cover many of our core services including police, fire, transportation, parks and recreation, and the library. Over the past five years, the City has opened five fire stations, added 39 new firefighters and staff, added 43 new police officers and staff, and has opened the new Public Safety Training Facility - all thanks in part to property tax revenues.

Sales Tax \$69.3M

For every \$100 in purchases by visitors, residents, and businesses, the City collects \$2 in sales tax revenues. The General Fund gets \$1.50 and the remaining 50 cents goes to the Type B Fund to pay for roads and economic development. Round Rock's unique mix of destination shopping and corporate headquarters generates sales tax revenues that help reduce the property tax burden.

Other Revenues \$36.8M

Over 100 different revenue sources make up the remainder of General Fund revenues including fees for the City's many recreation programs, building permits, and other services. Some of these are large, like the Electric Franchise Tax revenues budgeted at \$4.3 million and City Swimming Pool revenues budgeted at \$1.5 million.

Property Tax Base

Round Rock enjoys a diverse and growing economy with development of all types continuing across the City. Single family homeowners will pay \$34.1 million in City property taxes in FY 2025 - 20% of total General Fund revenues.

With our conservative approach to financial planning, 45% of our planned capital projects will be debt-financed. **53% of the five-year capital plan will be cash funded**, while 2% will come from cost sharing with other local government partners.

Hotel Occupancy Tax & Sports Center (Venue Tax) Funds

Tourism is a big deal in Round Rock, especially for a City of our size. We have over 4,900 hotel rooms with another 124 under construction. Visitors come to Round Rock for the wide-range of indoor and outdoor sporting events held in the Sports Capital of Texas; for our destination-based retail including the Round Rock Premium Outlets; Kalahari Resort and Convention Center; and for the variety of restaurants, outdoor adventures, and numerous major businesses. Visitors who come and stay overnight in a Round Rock hotel pay a 9% City occupancy tax that is split between our two tourism-related funds: the Hotel Occupancy Tax Fund (7%) and the Sports Center (Venue Tax) Fund (2%).

Hotel Occupancy Tax Fund

The Hotel Occupancy Tax Fund has a FY 2025 Proposed Budget of \$11.5 million which includes the Convention & Visitors Bureau, Arts, and Historic Preservation. The fund also supports the following attractions in Round Rock:

The **Dell Diamond**, opened in 2000, is consistently recognized as one of the best minor league stadiums in the U.S. and has one of the highest attendance rates. The Dell Diamond is currently undergoing renovations of an additional 8,500 square feet which includes a new visitors clubhouse, female-specific locker rooms, coach offices, and storage.

The **Round Rock Multipurpose Complex**, opened in May 2017, is about to undergo an expansion. This project will construct six additional fields and collegiate level press boxes to provide more space for local team practices and draw additional tournaments for sports tourism. The project will also include relocation of the existing tennis complex to 10 acres located just off Old Settlers Blvd. and North Red Bud Lane. Since its inception it has hosted dozens of regional tournaments, national tournaments for U.S. Women's Lacrosse and Quadball, and has previously hosted national tournaments of NIRSA National Flag Football Championships, NIRSA Soccer National Championships, and Big 12 Women's Soccer Championships.

Sports Center (Venue Tax) Fund

The Sports Center has a FY 2025 Proposed Budget of \$8.3 million, which includes \$1.7 million for capital improvements.

The 82,800 square foot **Round Rock Sports Center** opened in January 2014 and has been the host of a multitude of sporting events as well as banquets, wedding expos, corporate meetings, and other events that bring visitors to Round Rock. The facility is currently undergoing an expansion that will add 25,000 square feet, scheduled to be completed in Fall 2025, as part of the voter-approved bond projects.
