OUR VALUES: People • Accountability • Trust • Honesty

OUR MISSION: Connecting You With Texas

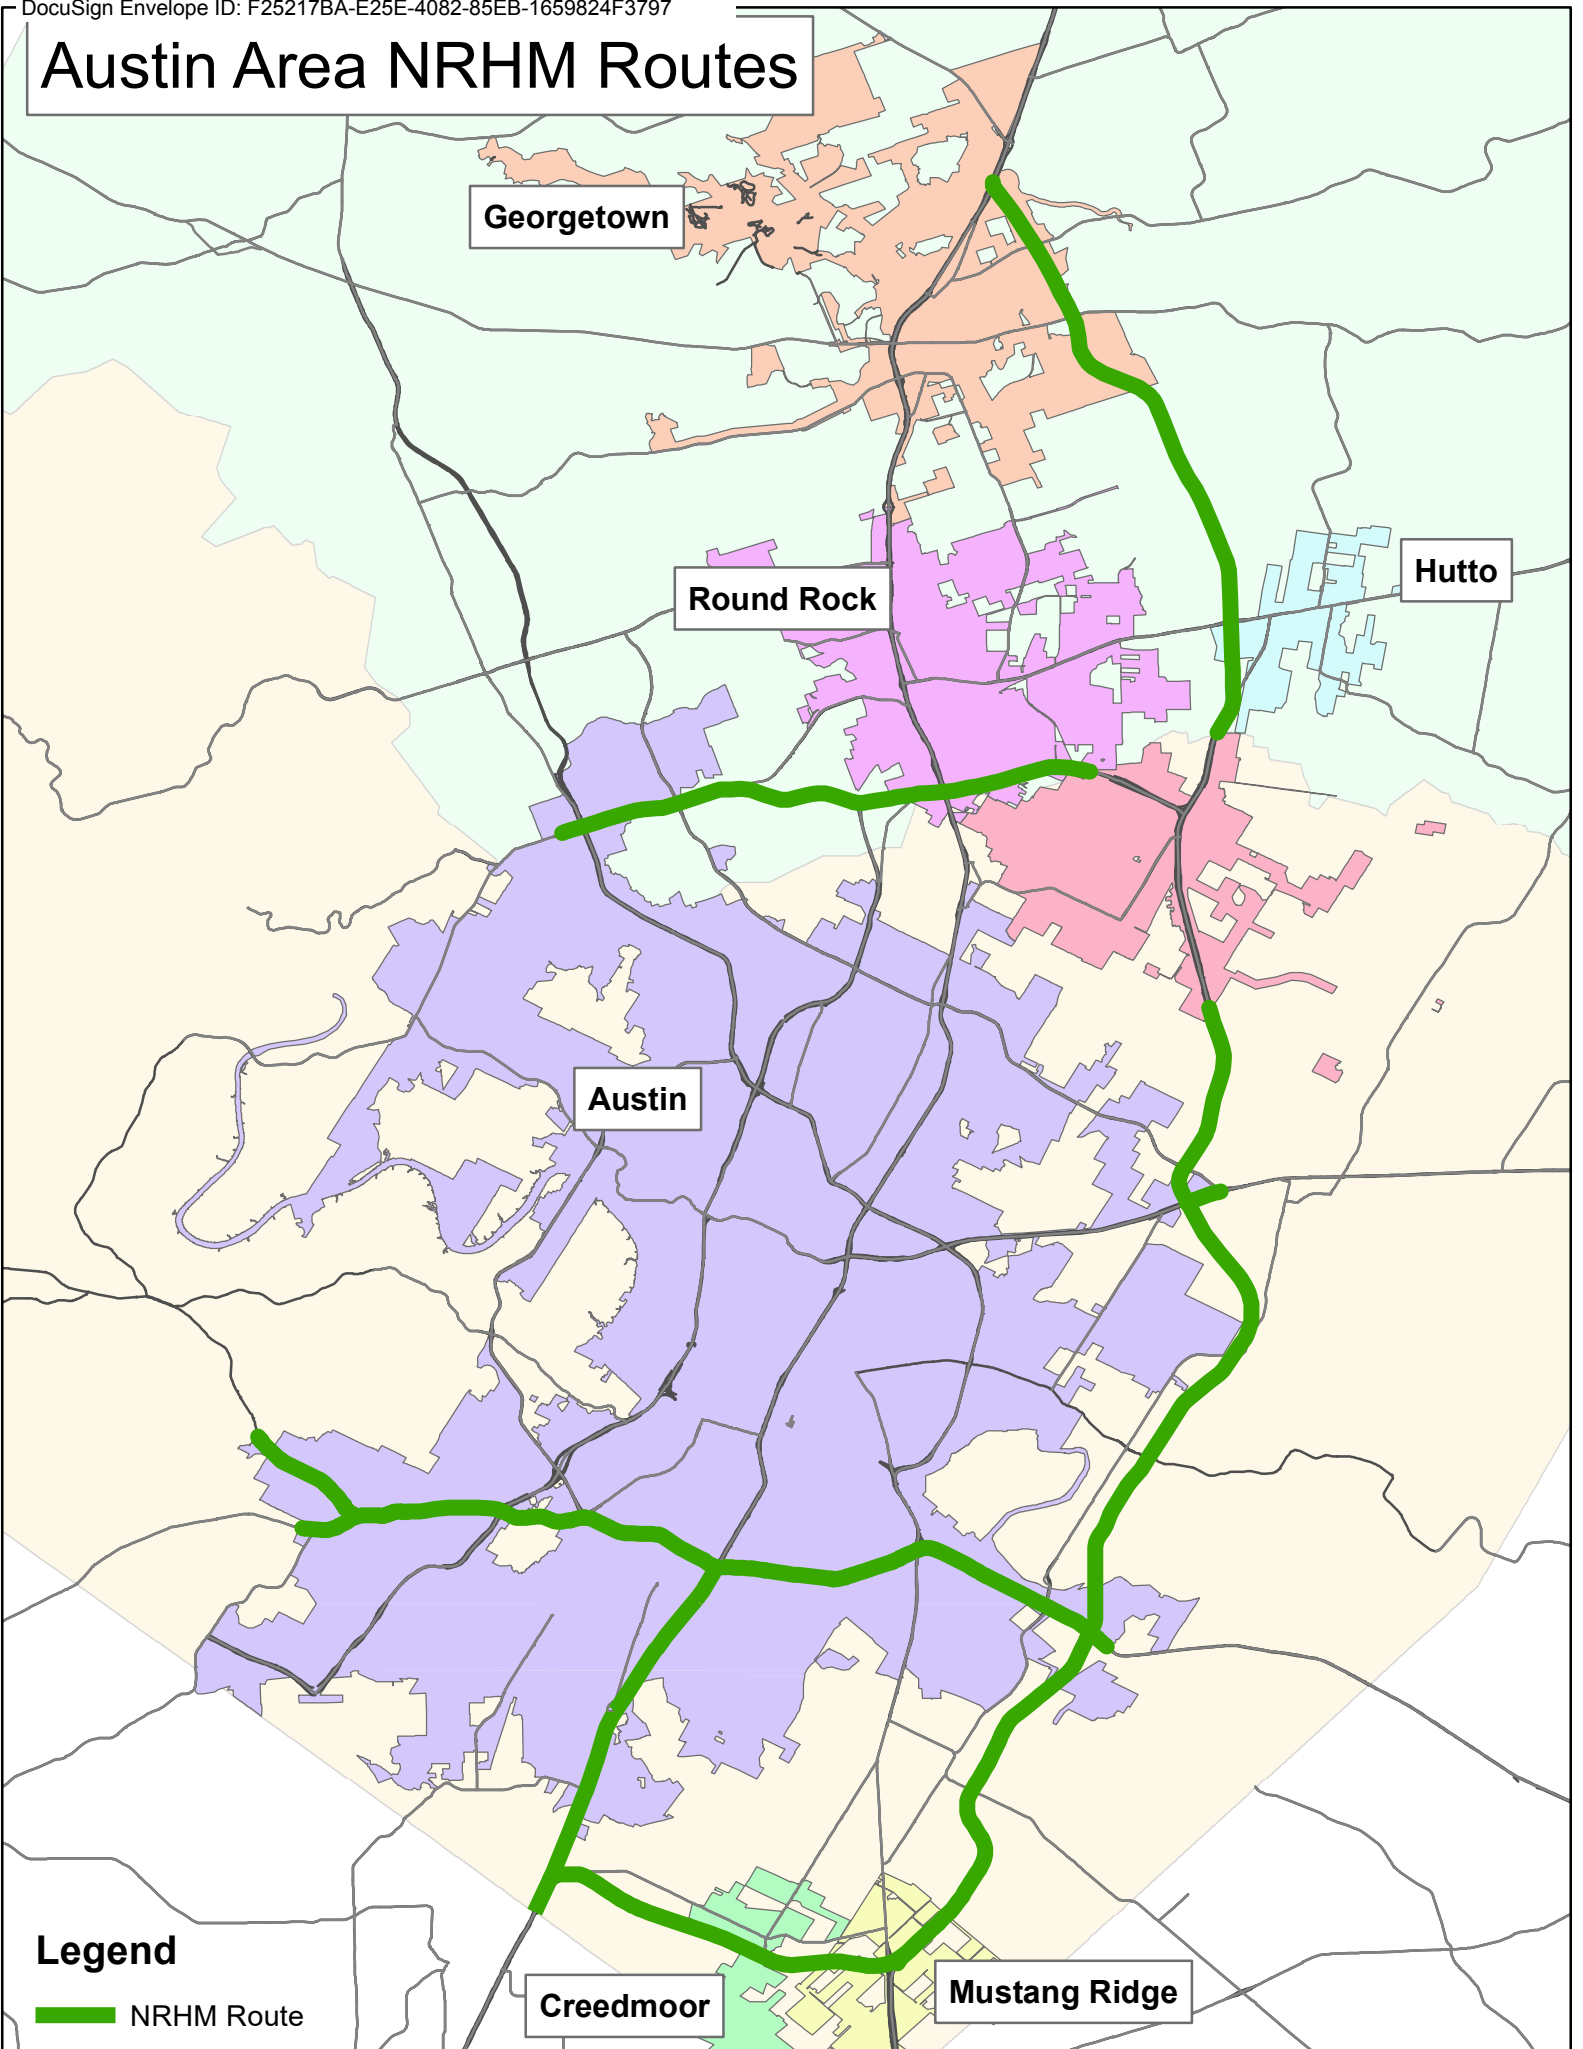

An Equal Opportunity Employer

The city of Pflugerville has chosen not to establish a NRHM route for the sections of SH 45 and SH 130 on the proposed overall route in their city limits. The existing conditions allowing NRHM traffic on all on-system roads will continue to be in effect within the Pflugerville city limits.

In accordance with Title 43 Texas Administrative Code Section 25.103 (43 TAC 25.103), a public hearing was held in Austin on June 16, 2021. One public comment was received at the hearing and one written comment was received by the deadline as published in the Texas Register.

As the state routing agency, TxDOT is required to approve all new NRHM routing designations or revision to existing routing designations. We have reviewed the proposal and find it to be in accordance with state regulations (43 TAC 25.103) and recommend approval. Upon your approval, we will notify the Cities of Austin, Creedmoor, Georgetown, Hutto, Mustang Ridge, and Round Rock to proceed with all necessary ordinances in the affected jurisdiction to designate this route. The route will also be added to TxDOT's statewide online listing of NRHM routes and submitted to the Federal Registry.
