20449 Cameron Road

Coupland, TX 78615

Cell: 512-917-5690

Home: 512-272-8336

Email: [REDACTED]

### **SUMMARY OF PROFESSIONAL EXPERIENCE:**

- Registered professional engineer in the State of Texas with over thirty years of experience in the electric utility industry
- Retired from the Lower Colorado River Authority after 27 years of service. Experienced in power generation optimization, the de-regulated electricity market in Texas, and fuel supply and procurement.
- Three plus years at the University of Texas at Austin as Assistant Director of the Center for Technology Development and Transfer. The primary focus of this work was to evaluate inventions by faculty and staff for marketing potential, and assist in patenting and marketing.
- Recently completed 5 years of employment at my current employer, the Electric Reliability Council of Texas (ERCOT). My group works to ensure that ERCOT has an efficient, competitive and reliable electricity market. This work typically requires the analysis of large amounts of information in a very secure environment.

### **SUMMARY OF COMMUNITY EXPERIENCE:**

- Twelve years of service on the Pflugerville ISD Board of Trustees
- Five years as board member of the Manville Water Supply Corporation
- Recently re-elected to a third term as congregation President of St. John Lutheran Church of Richland
- Numerous school related activities, including coaching a series of Science Olympiad teams from Pflugerville Independent School District that advanced to several National Finals competitions. The students of one of the events I coached won third place in a national competition.
- Assistance with local benefits including Ag Boosters Club auctions.
- Little League coach for several years.

### **PERSONAL:**

- Lifelong resident of northeast Travis County
- 75+ acre hay operation
- Married for 37 years, with 3 sons (one attorney, one engineer and one son who just completed his doctorate in electrical engineering)
