City selected Texas Roofing to supply the services as outlined in IFB Solicitation Number 13-013, Specification Number 13-910-66; and Response to IFB submitted by Texas Roofing, all as specified in Exhibit "A." The intent of these documents is to formulate an Agreement listing the responsibilities of both parties as outlined in the IFB and as offered by Texas Roofing in its Response to the IFB.

4.01 INITIAL RESORT TO PRIMARY PROVIDER, AND SUBSEQUENT RESORT TO SECONDARY PROVIDER; MANDATES FOR PROVISION OF GOODS AND SERVICES

A. Initial Resort to Primary Provider, and Subsequent Resort to Secondary Provider.

The parties specifically acknowledge and agree as follows: Texas Roofing shall be considered as one of two providers of the specified goods and services, and shall be considered the secondary provider. City may, in its sole and unfettered discretion, elect to seek goods from either one of the two providers. Should the primary provider contacted not be able to fulfill the order in strict accordance with the mandates of this Agreement, then and in that event the remaining provider may be considered "best value" and be contacted to provide the goods as a secondary provider.

Texas Roofing specifically further acknowledges and agrees as follows: This Agreement is not an exclusive agreement. City may, in its sole and unfettered discretion, elect to use either of the two providers in whatever order it deems most advantageous to City's purposes. City may, in its sole and unfettered discretion, elect to use any other providers. City is not obligated to use or purchase any estimated annual quantity of goods, and no guarantee is made of any minimum or maximum purchase.

B. Mandates for Provision of Goods and Services – Emergency Service Calls.

Texas Roofing specifically further acknowledges and agrees as follows:

Texas Roofing shall maintain regular business hours from 7:00 am to 6:00 pm Monday through Friday, and shall be available for emergency service calls on a 24/7 basis with a maximum two (2) hour response time. Texas Roofing shall provide City with a 24-hour emergency contact telephone number connected with, at minimum, a voice mail paging system outside of regular business hours.

City shall make a notification call to Texas Roofing by telephone with emergency instructions when City has designated an emergency service call situation. In the event that Texas Roofing does not answer the telephone and/or return City's notification voicemail within thirty (30) minutes of initial placement of call by City, then and in that event City may contact and place the order with another provider as provided above. Non-answer of notification call may result in City declaring Texas Roofing to be non-compliant with the order and under this Agreement; non-returned voicemail within thirty (30) minutes may result in City declaring Texas Roofing to be non-compliant with the order and under this Agreement. The legal definition under this Agreement of "repeated non-compliance" shall mean three (3) incidents, either sequential or not, of non-compliance as delineated in this paragraph within a period of six (6) consecutive months. Repeated non-compliance may result, at City's sole discretion, in cancellation of this Agreement in whole or in part.

When City has notified Texas Roofing of an emergency service call situation, Texas Roofing shall have trained personnel on-site within two (2) hours of City's notification. If the ordered goods and services are not delivered on-site or in-hand to City strictly within the timeframe specified in this Agreement, then and in that event Texas Roofing may be deemed to be non-compliant with the order and its "best value" designation suspended as to that order, and City shall be free to procure the goods and services elsewhere from another provider or from a different source.

Mandates for Provision of Goods and Services – Non-Emergency Service Calls.

Texas Roofing specifically further acknowledges and agrees as follows:

City shall make a notification call to Texas Roofing by telephone with non-emergency instructions when City has designated a non-emergency service call situation. In the event that Texas Roofing does not answer the telephone and/or return City's notification voicemail within twenty-four (24) hours of initial placement of call by City, and provide a written estimate within forty-eight (48) hours of initial placement of call by City, and guarantee that work will be initiated within five (5) days of City's initial request, then and in that event City may contact and place the order with another provider as provided above. Non-answer of notification call may result in City declaring Texas Roofing to be non-compliant with the order and under this Agreement; non-returned voicemail within twenty-four (24) hours may result in City declaring Texas Roofing to be non-compliant with the order and under this Agreement. The legal definition under this Agreement of "repeated non-compliance" shall mean three (3) incidents, either sequential or not, of non-compliance as delineated in this paragraph within a period of six (6) consecutive months. Repeated non-compliance may result, at City's sole discretion, in cancellation of this Agreement in whole or in part.

When City has designated a *non-emergency service call situation*, Texas Roofing shall fulfill in full the non-emergency order within the dates and times specified by City. Driving distance from City's location to Texas Roofing shall not exceed 35 miles. If the ordered goods and services are not delivered on-site or in-hand to City strictly within the timeframes specified in this Agreement, then and in that event Texas Roofing may be deemed to be non-compliant with the order and its "best value" designation suspended as to that order, and City shall be free to procure the goods elsewhere from another provider or from a different source.

Other governmental entities within the State of Texas may be extended the opportunity to purchase off of the City of Round Rock's bid, with the consent and agreement of the successful vendor(s) and Round Rock. Such agreement shall be conclusively inferred for the vendor from lack of exception to this clause in the vendor's response. However, all parties hereby expressly agree that the City of Round Rock is not an agent of, partner to, or representative of those outside agencies or entities and that the City of Round Rock is not obligated or liable for any action or debts that may arise out of such independently-negotiated "piggyback" procurements.

9.01 NON-APPROPRIATION AND FISCAL FUNDING

This Agreement is a commitment of City's current revenues only. It is understood and agreed that City shall have the right to terminate this Agreement at the end of any City fiscal year if the governing body of City does not appropriate funds sufficient to purchase the services as determined by City's budget for the fiscal year in question. City may effect such termination by giving Texas Roofing a written notice of termination at the end of its then-current fiscal year.

10.01 PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, any payment to be made by City to Texas Roofing will be made within thirty (30) days of the date City receives goods under this Agreement, the date the performance of the services under this Agreement are completed, or the date City receives a correct invoice for the goods or services, whichever is later. Texas Roofing may charge interest on an overdue payment at the "rate in effect" on September 1 of the fiscal year in which the payment becomes overdue, in accordance with V.T.C.A., Texas Government Code, Section 2251.025(b). This Prompt Payment Policy does not apply to payments made by City in the event:

- A. There is a bona fide dispute between City and Texas Roofing, a contractor, subcontractor, or supplier about the goods delivered or the service performed that causes the payment to be late; or
- B. There is a bona fide dispute between Texas Roofing and a subcontractor or between a subcontractor and its supplier about the goods delivered or the service performed that causes the payment to be late; or
- C. The terms of a federal contract, grant, regulation, or statute prevent City from making a timely payment with federal funds; or
- D. The invoice is not mailed to City in strict accordance with any instruction on the purchase order relating to the payment.

11.01 GRATUITIES AND BRIBES

City may, by written notice to Texas Roofing, cancel this Agreement without incurring any liability to Texas Roofing if it is determined by City that gratuities or bribes in the form of entertainment, gifts, or otherwise were offered or given by Texas Roofing or its agents or

representatives to any City officer, employee or elected representative with respect to the performance of this Agreement. In addition, Texas Roofing may be subject to penalties stated in Title 8 of the Texas Penal Code.

Whenever either party to this Agreement, in good faith, has reason to question the other party's intent to perform hereunder, then demand may be made to the other party for written assurance of the intent to perform. In the event that no written assurance is given within the reasonable time specified when demand is made, then and in that event the demanding party may treat such failure as an anticipatory repudiation of this Agreement.

17.01 DEFAULT

If Texas Roofing abandons or defaults hereunder and is a cause of City purchasing the specified services elsewhere, Texas Roofing agrees that it may be charged the difference in cost, if any, and that it will not be considered in the re-advertisement of the service and that it may not be considered in future bids for the same type of work unless the scope of work is significantly changed.

C. Texas Roofing has the right to terminate this Agreement only for cause, in the event of material and substantial breach by City, or by written mutual agreement to terminate.

D. In the event City terminates under subsections (A) or (B) of this section, the following shall apply: Upon City's delivery of the referenced notice to Texas Roofing, Texas Roofing shall discontinue all services in connection with the performance of this Agreement and shall proceed to cancel promptly all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after such notice of termination, Texas Roofing shall submit a statement showing in detail the goods and/or services satisfactorily performed under this Agreement to the date of termination. City shall then pay Texas Roofing that portion of the charges, if undisputed. The parties agree that Texas Roofing is not entitled to compensation for services it would have performed under the remaining term of the Agreement except as provided herein.

19.01 INDEMNIFICATION

Texas Roofing shall defend (at the option of City), indemnify, and hold City, its successors, assigns, officers, employees and elected officials harmless from and against all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, attorney's fees, and any and all other costs or fees arising out of, or incident to, concerning or resulting from the fault of Texas Roofing, or Texas Roofing's agents, employees or subcontractors, in the performance of Texas Roofing's obligations under this Agreement, no matter how, or to whom, such loss may occur. Nothing herein shall be deemed to limit the rights of City or Texas Roofing (including,

but not limited to the right to seek contribution) against any third party who may be liable for an indemnified claim.

Texas Roofing, its agents, employees and subcontractors shall use best efforts to comply with all federal and state laws, City’s Charter and Ordinances, as amended, and with all applicable rules and regulations promulgated by local, state and national boards, bureaus and agencies.

The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.
