This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Any person or organization that you are required by written contract to include as an additional insured on this policy if the contract is executed prior to the loss.

- A. Section II, Who Is An Insured is amended to include as an additional insured any person or organization shown in the above SCHEDULE (called additional insured), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of your premises or your operations for the additional insured, and only to the extent and for the minimum limits required in the written contract.
- B. The insurance provided to the additional insured is subject to the following limitations:
1. Unless a written contract specifically requires additional insured coverage for your completed operations, this insurance does not apply to "bodily injury" or "property damage" occurring after "your work" for the additional insured has been completed or after that portion of "your work" out of which the "bodily injury" or "property damage" arises has been put to its intended use by any person or organization, whichever occurs first.
 2. Unless specifically required by written contract, this insurance provides additional insured coverage only for liability for "bodily injury", "property damage" or "personal and advertising injury" to the extent caused by the named insured's acts or omissions or the acts or omissions of those acting on the named insured's behalf.
 3. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" for which the additional insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement except to the extent that the additional insured would have been obligated to pay such damages in the absence of the contract or agreement.
 4. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by any insured or on any insured's behalf, including:
 - a) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, drawings or specifications; or
 - b) Supervisory, inspection, architectural, or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.
 5. This endorsement shall not apply to a person or organization if any other additional insured endorsement attached to this policy specifically applies to that person or organization.
 6. The insurance afforded herein only applies to the extent permitted by applicable state law, including statutes governing additional insured coverage in the construction industry.
 7. The insurance afforded to the additional insured shall not exceed the minimum limits required in the written contract.
- C. In no event shall the insurance provided to the additional insured exceed the minimum coverage required by the written contract, including but not limited to minimum limits, minimum scope of coverage, or minimum duration of coverage. If a written contract or agreement requires that additional insured status be provided by the use of specified edition dates of the ISO CG2010 and/or CG2037, then the terms of that endorsement are incorporated into this endorsement as respects such additional insured and shall supersede the coverage grant and limitations in Sections A. and B. of this endorsement. In the event that CG2010 and/or CG2037 are required but no edition dates are specified, the 04/13 editions shall apply.
- D. This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.

NOTICE OF CANCELLATION TO CERTIFICATEHOLDERS

It is understood and agreed that:

If you have agreed under written contract to provide notice of cancellation to a party to whom the Agent of Record has issued a Certificate of Insurance, and if we cancel a policy term described on that Certificate of Insurance for any reason other than nonpayment of premium, then notice of cancellation will be provided to such Certificateholders at least 30 days in advance of the date cancellation is effective.

If notice is mailed, then proof of mailing to the last known mailing address of the Certificateholder on file with the Agent of Record will be sufficient to prove notice.

Any failure by us to notify such persons or organizations will not extend or invalidate such cancellation, or impose any liability or obligation upon us or the Agent of Record.

All other terms and conditions of the policy remain unchanged

This endorsement, which forms a part of and is for attachment to the policy issued by the designated Insurers, takes effect on the Policy Effective date of said policy at the hour stated in said policy, unless another effective date (the Endorsement Effective Date) is shown below, and expires concurrently with said policy.
