RE: Recommendation to Award – Old Settlers Park Concrete Repair Project 2025

Dear Mr. Atkins,

As you are aware, on June 3, 2025, bids were received for the Old Settlers Park Practice Concrete Repair Project. In total, six (6) bids were received with amounts ranging between \$217,335.00 to \$359,997.00.

Based upon my review of the bid and analysis of the funding available, I recommend the City of Round Rock accept the Bid as submitted by DigDug Construction in the amount \$217,335.00. In addition to being the lowest bid received, the City has worked with DigDug Construction in the past with good results. If additional information is required, please advise.

Sincerely,
