

ORDINANCE NO. O-2026-027

AN ORDINANCE OF THE CITY OF ROUND ROCK, TEXAS, CALLING AN ELECTION FOR MAY 2, 2026 FOR THE PURPOSE OF ELECTING CERTAIN OFFICIALS AND FOR SUBMITTING TO THE VOTERS CERTAIN PROPOSED AMENDMENTS TO THE HOME RULE CHARTER OF THE CITY; DESIGNATING ELECTION PRECINCTS AND POLLING PLACES; PROVIDING FOR EARLY VOTING AND ELECTION DAY VOTING; PROVIDING FOR PERFORMANCE OF REQUIRED ADMINISTRATIVE DUTIES; MAKING PROVISIONS FOR THE CONDUCT OF SUCH ELECTION; CERTIFYING PROVISION OF REQUIRED ACCESSIBLE VOTING SYSTEMS AT EACH POLLING PLACE; AND PROVIDING FOR OTHER MATTERS RELATED TO SUCH ELECTION.

STATE OF TEXAS	§	
	§	
COUNTIES OF TRAVIS	§	KNOW ALL BY THESE PRESENTS:
AND WILLIAMSON	§	
	§	
CITY OF ROUND ROCK	§	

WHEREAS, pursuant to the provisions of the Texas Election Code (as amended), other related statutes, and its Home Rule Charter, the City Council of the City of Round Rock, Texas, is authorized to order a city election for the purpose of electing a Mayor, Councilmember Place 1 and Councilmember Place 4; and

WHEREAS, the City Council additionally orders a special city election on May 2, 2026 to submit to the voters certain amendments to the Home Rule Charter of the City of Round Rock; and

WHEREAS, Article 14, Section 11 of the Charter for the City of Round Rock provides that proposed amendments to such Home Rule Charter may be “framed and submitted to the voters of the City in the manner provided by Local Government Code Chapter 9, as amended;” and

WHEREAS, Local Government Code, Section 9.004(a) provides that the “governing body shall submit a proposed charter amendment to the voters for their approval at an election if the submission is supported by a petition signed by a number of qualified voters of the municipality equal to at least five percent of the number of qualified voters of the municipality or 20,000, whichever number is the smaller;” and

WHEREAS, the two (2) proposed charter amendments were supported by petitions signed by a number of qualified voters of the City of Round Rock equal to at least five percent of the qualified voters of the City; and

WHEREAS, as required by Section 9.004(a) the City Council is submitting these proposed amendments for submission to the voters of the City of Round Rock; and

WHEREAS, Local Government Code, Section 9.004(b) requires the charter amendment election to be held on the first authorized uniform election date prescribed by the Texas Election Code or on the earlier of the date of the next municipal general election or presidential general election, and that allows sufficient time to comply with other requirements of law, and that occurs on or after the thirtieth (30th) day after the date the ordinance is adopted; and

WHEREAS, the City Council has determined that Saturday, May 2, 2026, is the appropriate date for holding the election to elect the Mayor, Councilmember Place 1 and Councilmember Place 4, and for holding the charter amendment election; and

WHEREAS, the City Council wishes to encourage all registered voters in the city to vote in this election; Now Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROUND ROCK, TEXAS, THAT:

I.

Authorization to City Clerk. The City Clerk is hereby authorized and directed to publish and post the required notices in the manner and for the time periods required by law.

Section 9. VOTING DEVICES.

For voters in Williamson County, pursuant to the Election Code and the applicable Contract for Election Services, the Williamson County Elections Administrator may use electronic voting systems and corresponding voting devices and equipment in conducting the election. The Williamson County Elections Administrator is currently using election systems and software certified by the Texas Secretary of State.

For voters in Travis County, pursuant to the Election Code and the applicable Contract for Election Services, the Travis County Clerk may use electronic voting systems and corresponding voting devices and equipment in conducting the election. The Travis County Clerk is currently using election systems and software certified by the Texas Secretary of State.

The Williamson County Elections Administrator and the Travis County Clerk, respectively, may also utilize a central counting station as provided by Texas Election Code Section 127.000 *et seq.*, as amended.

The City Council of the City of Round Rock, Texas, finds as follows:

Section 61.012, Texas Election Code, requires that at least one accessible voting station must be provided in each polling place used in a Texas election. Such system must comply with state and federal laws setting the requirements for voting systems that (i) fully comply with applicable laws relating to accessible voting systems which make voting accessible for disabled voters; and (ii) provide a practical and effective means for voters with physical disabilities to cast a secret ballot. The Office of the Texas Secretary of State has certified that the DRE - Election Systems and Software iVotronic is an accessible voting system that may legally be used in Texas elections.

Sections 123.032 and 123.035, Texas Election Code, authorize the acquisition of voting systems by local political subdivisions and further mandate certain minimum requirements for contracts relating to the acquisition of such voting systems. For voters in Williamson County and for voters in Travis County, as chief elections officer for the City of Round Rock, the Williamson County Elections Administrator and the Travis County Clerk shall provide at least one DRE - Election Systems and Software iVotronic in each polling place at every polling location used to conduct any election. The DRE - Election Systems and Software iVotronic may be acquired by any legal means available to the City of Round Rock, including but not limited to lease or rental from Williamson County or Travis County or from any other legal source, as authorized or required by Sections 123.032 and 123.035 of the Texas Election Code.

Section 10. CONDUCT ACCORDING TO STATUTES.

In all substantive respects, the election shall be conducted in accordance with applicable provisions of the Texas Election Code, any other applicable statutes, and the City of Round Rock's Home Rule Charter.

Section 11. ELECTION RESULTS.

For voters in Williamson County, the Williamson County Elections Administrator shall conduct an unofficial tabulation of results after the closing of the polls on May 2, 2026.

For voters in Travis County, the Travis County Elections Administrator shall conduct an unofficial tabulation of results after the closing of the polls on May 2, 2026.

The official canvass, tabulation and declaration of the results of the election shall be conducted by the City Council at a regular or special council meeting held in accordance with provisions of the Texas Election Code.

Section 12. PROPOSED CHARTER AMENDMENTS.

At the election to be held on Saturday, May 2, 2026, the voters will be asked to vote on the following amendments to the City's Home Rule Charter:

Proposed Amendment No. 1

Amend Article 14 of the City's Home Rule Charter to add a Section 14.16 to read as follows:

Sec. 14.16. – Permanent freestanding off-premise electronic message centers.

- (a) To enhance the economic vitality of the local government and businesses and help protect the health, safety and welfare of Round Rock citizens and the traveling public, a maximum of twelve (12) new privately owned, operated, and funded freestanding off-premise double-faced electronic signs ("EMCs") shall be permitted on private property adjacent to Interstate Highway 35 and State Highway 45 in the City of Round Rock and its extraterritorial jurisdiction.
- (b) All EMCs shall be capable of displaying timely information regarding (i) Amber Alerts; (ii) Silver Alerts; (iii) public safety and emergency alerts regarding, but not limited to, natural disasters, threatening weather, terrorist attacks, chemical spills, train derailment, industrial and transportation accidents, mass shootings, and other emergencies, as may be required by designated officials of the City of Round Rock. All EMCs shall be capable of displaying public services and other community and non-profit announcements and messages as it may be requested by designated officials, to the extent such announcements and messages do not interfere with contractual commitments for privately sponsored messaging such being necessary to fund the installation and maintenance of the EMCs without the need for taxpayer or any other governmental funds. Emergency messages shall always preempt privately sponsored messages and have top priority.
- (c) Notwithstanding any other provision of the Home Rule Charter or Code of Ordinances of the City of Round Rock, in order to be considered complete, all EMC permit applications must include a copy of the Texas Department of Transportation (TxDOT) approved permits for the proposed sign, and all EMCs shall be required to comply only with the regulatory standards imposed by the administrative rules adopted by TxDOT governing the location, size, and spacing of commercial and electronic signs, provided that the City of Round Rock may assess a permit fee for each EMC equal to that charged by TxDOT.

Proposed Amendment No. 2

Amend the City's Home Rule Charter to add an Article 16 to read as follows:

Article 16. Fire Department Staffing Levels and Performance Objectives

Sec. 16.01 – Staffing levels.

- (a) The Fire Department shall be governed by the minimum company staffing levels for engine companies, ladder/truck companies, and fire companies with quint apparatuses identified in the version of NFPA 1710, *Standard for the Organization and Deployment of Fire Suppression Operations, Emergency Medical Operations, and Special Operations to the Public by Career Fire Departments*, in effect at the time.
- (b) The minimum company staffing levels in effect at the time this provision is enacted are found in Section 5.2.3 of the 2020 version of NFPA 1710 and are as follows:
 - (1) Fire companies whose primary functions are to pump and deliver water and perform basic fire fighting at fire, including search and rescue, shall be staffed with a minimum of 4 on-duty members.
 - (2) Fire companies whose primary functions are to perform the variety of services associated with truck work, such as forcible entry, ventilation, search and rescue, aerial operation for water delivery and rescue, utility control, illumination, overhaul, and salvage work, shall be staffed with

- a minimum of 4 on-duty members.
- (3) A fire company that deploys with quint apparatus, designed to operate as either an engine company or a ladder company, shall be staffed with a minimum of 4 on-duty members.
- (c) By January 1, 2027, the Fire Department shall meet the NFPA 1710 minimum company staffing levels for all ladder/truck companies and all fire companies with quint apparatus. By January 1, 2029, the Fire Department shall meet the NFPA 1710 minimum company staffing levels for all ladder/truck companies, all fire companies with quint apparatus, and all engine companies located at specialty stations, such as Wildland, Hazmat, and Technical Rescue. By January 1, 2031, the Fire Department shall meet the NFPA 1710 minimum company staffing levels for all engine companies, all ladder/truck companies, and all fire companies with quint apparatus.

Sec. 16.02 – Performance objectives.

- (a) The Fire Department shall be governed by the performance objectives for alarm answering time, alarm processing time, turnout time, and travel time identified in the version of NFPA 1710, *Standards for the Organization and Deployment of Fire Suppression Operations, Emergency Medical Operations, and Special Operations to the Public by Career Fire Department*, in effect at the time.
- (b) The performance objectives in effect at the time this provision is enacted are found in Section 4.1.2 of the 2020 version of NFPA 1710 and are as follows:
- (1) An alarm answering time of not more than 15 seconds for at least 95 percent of the alarms received and not more than 40 seconds for at least 99 percent of the alarms received.
 - (2) Alarm processing time of not more than 64 seconds for at least 90 percent of the alarms and not more than 106 seconds for at least 95 percent of the alarms.
 - (3) 80 seconds turnout time for fire and special operations response and 60 seconds turnout time for EMS response.
 - (4) 240 seconds or less travel time for the arrival of the first engine company at a fire suppression incident.
 - (5) 360 seconds or less travel time for the arrival of the second company with a minimum staffing of 4 personnel at a fire suppression incident.
 - (6) For other than high-rise, 480 seconds or less travel time for the deployment of an initial full alarm assignment at a fire suppression incident.
 - (7) For high-rise, 610 seconds or less travel time for the deployment of an initial full alarm assignment at a fire suppression incident.
 - (8) 240 seconds or less travel time for the arrival of a unit with first responder with automatic external defibrillator (AED) or high-level capability at an emergency medical incident.
 - (9) 480 seconds or less travel time for the arrival of an advanced life support (ALS) unit at an emergency medical incident, provided that a first responder with an AED or basic life support (BLS) unit arrived in 240 seconds or less travel time.
- (c) For the purpose of this section, the following definitions apply:
- (1) “Alarm” means a signal or message from a person or device indicating the existence of an emergency or other situation that requires action by an emergency response agency.
 - (2) “Alarm answering time” means the time interval that begins when the alarm is received at the Round Rock public safety dispatch center and ends when the alarm is acknowledged at the dispatch center.
 - (3) “Alarm processing time” means the time interval that begins when the alarm is acknowledged at the Round Rock public safety dispatch center until the beginning of the transmittal of the response information via voice or electronic means to emergency response facilities and emergency response units.
 - (4) “Travel time” means the time interval that begins when a unit is en route to the emergency incident and ends when the unit arrives at the scene.
 - (5) “Turnout time” means the time interval that begins when the emergency response facilities and emergency response units notification process begins by either an audible alarm or visual annunciation or both and ends at the beginning point of travel time.

- (d) By January 1, 2031, the Fire Department shall meet the NFPA 1710 alarm answering time performance objectives. By January 1, 2033, the Round Rock Fire Department shall meet the NFPA 1710 turnout time and travel time performance objectives for 50 percent of alarms received. By January 1, 2035, the Fire Department shall meet the NFPA 1710 turnout time and travel performance objectives for 90 percent of alarms received.
- (e) Units dispatched from other jurisdictions under mutual aid or automatic aid arrangements may be considered for the purpose of meeting the performance objectives only if these units meet the NFPA 1710 minimum company staffing levels for engine companies, ladder/truck companies, or fire companies with quint apparatus, as applicable, and meet the travel time objectives for 90 percent of alarms received in the City of Round Rock.

Sec. 16.03 – Enforcement.

- (a) Compliance with performance objectives for firefighter staffing, alarm answering time, alarm processing time, turnout time, and travel time shall be determined by an analysis conducted by the International Association of Fire Fighters (IAFF) every two years beginning with the adopting of this standard. This shall be accomplished using public GIS data and computer-aided dispatch data, which must be provided to the IAFF by the City of Round Rock.
- (b) If the IAFF determines that the City of Round Rock is out of compliance with any required performance objective for firefighter staffing, alarm answering time, alarm processing time, turnout time, and travel time, the City of Round Rock shall comply with any recommendations made by the IAFF to correct the deficiency.
- (c) Any resident of the City of Round Rock, any Round Rock firefighter, and any employee association representing Round Rock firefighters may sue the City of Round Rock to enforce any portion of this Article. Sovereign immunity is waived for such suits. In any such suit, a district court may issue a writ of mandamus requiring compliance with this Article. And may award reasonable and necessary attorney fees to the prevailing party.

Section 13. CHARTER ELECTION BALLOT

At the election, the proposed amendment to amend the charter shall be set forth substantially in the form contained herein and said proposed charter amendment shall be submitted to the qualified voters in accordance with applicable law.

The official ballots shall be prepared so as to permit the qualified electors to vote on a proposed charter amendment by ballot title.
