**5 Applegate Cir (St. John Vianney Church) – Original Zoning
ZONING ZON1811-003**

HISTORY: The property owners have requested annexation and zoning for this property, which is part of an existing place of worship campus.

DATE OF REVIEW: December 5, 2018

LOCATION: East of Sunrise Rd. and south of Luther Peterson Pl.

STAFF REVIEW AND ANALYSIS:

General Plan and Zoning: The General Plan designates this lot for residential uses. This designation will be changed to public facilities with the pending update to the General Plan, to conform to the land use of the larger church campus.

Traffic, Access and Roads: The property has frontage on Applegate Circle and is contiguous with the remainder of the St. John Vianney church property.

Additional Considerations: The tract is undeveloped, and the church has no immediate plans for it.

RECOMMENDED MOTION:

Staff recommends approval of the original zoning to PF-3 (Public Facilities – high intensity)
