Replat of Encino Plaza (Hoppe Trail)
FINAL PLAT FP1606-006

HISTORY: The Planning and Zoning Commission approved the Holiday Inn Plaza Preliminary Plat on September 20, 1995, the Encino Plaza (Formerly Holiday Inn) Final Plat on March 13, 1996, and the Amended Plat of Encino Plaza, Lots 3A-1 and 3A-2 Block "B" on July 5, 2000.

DATE OF REVIEW: July 20, 2016

LOCATION: Hoppe Trail, west of the intersection with the I-35 Access Road and east of Chisolm Trail Road.

STAFF REVIEW AND ANALYSIS:

General Plan and Zoning: The General Plan designation for the parcel is commercial, and the zoning is C-1 (General Commercial). The C-1 district supports a variety of commercial uses including restaurant, retail, auto sales, office, overnight accommodations, and medical office. The C-1 zoning regulations include landscaping, design standards, and building material requirements to ensure quality and attractive development. In the C-1 district, the exteriors of all buildings must be masonry, except for doors, windows and trim. The zoning and proposed commercial use conform to the General Plan.

Traffic, Access and Roads: The site has frontage on both Hoppe Trail and Chisholm Trail Road. A traffic impact analysis has been deferred until the tenants have identified for both of the lots proposed to be created through this replat.

Water and Wastewater Service: 12" water mains are located in the rights-of-way of Chisholm Trail and Hoppe Trail. An 8" wastewater main is located in the property.

Drainage: The site will connect via storm sewer to an existing detention pond at the northeast corner of Encino Plaza.

Additional Considerations: The tentative use for at least one of the proposed new lots is hotel.

RECOMMENDED MOTION:

Staff recommends approval with the following conditions:

1. Update note 5 to read, "Along Chisholm Trail in addition to the 10' PUE dedicated by plat note 4, the remainder of the 15' PUE dedicated by plat (Doc. No. 2013066840) exists as a variable width PUE".
2. Depict the variable width PUE with line work or provide the note stated above with the corrected language along Chisholm Trail.
