PROPOSAL TERMS AND CONDITIONS

- Quote is valid for 120 days and is based on census data submitted. If actual enrollment or plan design differs materially, we reserve the right to review and modify the rates as necessary.
- Individuals may be covered only once under the group policy. Employees cannot also be insured as a spouse or child, a child can only be insured by one parent, and an individual cannot be insured as both an ex-employee and a current employee.
- All increases are subject to the actively at work provision in the policy.
- Non-participating (Fully pooled): The policyholder remits premiums at the stated rate. The policyholder will not receive any experience refunds.
- Our proposal assumes that all lives will be transferred according to the chart below and that coverage will be provided on a no loss/no gain basis. Because the current plan has a waiver of premium provision, those eligible under that provision will continue to be insured by the prior carrier. Others will be insured by Minnesota Life.

Status of Employee on Effective Date	Responsible Party
Disabled and on approved waiver of premium	Incumbent Carrier
Disabled and not yet approved waiver of premium	Incumbent Carrier/Minnesota Life*
Disabled and satisfying elimination period	Incumbent Carrier/Minnesota Life*
Absent due to disabling ailment	Incumbent Carrier/Minnesota Life*
Absent due to non-disabling ailment	Minnesota Life
On vacation	Minnesota Life
On non-medical leave of absence	Minnesota Life
On excused absence (funeral, etc.)	Minnesota Life
At work	Minnesota Life

*Our proposal assumes that employees on approved waiver of premium on the effective date will stay with the incumbent carrier under the current waiver of premium provision. If an employee is absent due to disability but not yet eligible or approved for waiver of premium, we recommend that premiums be paid to Minnesota Life. If the employee returns to work or otherwise does not satisfy the requirements for approved waiver of premium, Minnesota Life will be responsible for the ongoing life insurance coverage. If the employee remains disabled and satisfies the requirements for a waiver of premium claim, the claim should be filed with the incumbent carrier. Similarly, if the employee dies while totally disabled but before satisfying the waiting period for a waiver of premium claim, the death claim should be filed with the incumbent carrier. In any event, either Minnesota Life or the incumbent carrier will provide coverage for every insured employee.

- We relied on information provided with the initial RFP and subsequent information after the RFP release to develop our proposal. If any information was incorrect or incomplete we reserve the right to review and adjust rates.

- We reserve the right to review the appropriateness of the rates at any time in the event of plan design changes, modifications to the definition of eligible employees, or significant demographic changes in the group. We define significant changes to mean a change in the volume within a coverage or across coverages of more than 15% Actives and retirees are considered independent coverages. The baseline for calculating the total change in volume will be the volume provided in the RFP
- Issued policies will comply with applicable state insurance laws and coverage restrictions or limits may apply.
- Securian Financial Group is licensed to do business in the United States and our proposal covers employees working in the U.S. and U.S. citizens working abroad as expatriates. We're happy to discuss solutions for your non-U.S. citizens working outside the U.S. to meet the changing benefits needs of a global workforce.
- If selected as a finalist, Securian Financial Group's legal counsel will review the specifics of any sample contract, service agreement, or terms & conditions language and provide a list of items to discuss with client's legal counsel. We have found that this process can be completed efficiently and result in a mutually agreeable contract.
- It is the employer's obligation to determine the applicability of and compliance with any ERISA or DOL rules. Under Department of Labor rules, certain employee-pay-all group plans may not be subject to ERISA rules. However, the employer should consult counsel to determine if this plan falls within the exemption.
