That Zoning and Development Code, Chapter 2, Article VI, Section 2-71(d)(8), Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

Sec. 2-71. - MU-1 (Mixed-Use Historic Commercial Core) district.

(d) *Supplementary development standards.* In addition to the applicable standards found in Chapter 8 of this code, the following regulations apply to the MU-1 district:

(8) *Special conditions for public open space including parks, trails, creeks, and public plazas.*

- a. Building facades abutting public open space including parks, trails, creeks, and public plazas shall meet design requirements of a primary facade.
- b. No opaque fences shall be allowed on the portion of a lot abutting any public open space. Wrought iron fencing or equivalent may be used.
- c. There shall be no loading or service areas between the buildings and public open spaces.
- d. An eight-foot wide linear landscaped area in accordance with Sec. 8-10(g)(3) shall be required on lots abutting public open space that have their parking between the buildings and the public open space. If site constraints inhibit the incorporation of the required landscaped area, alternative landscaping may be approved by the zoning administrator.

X.

That Zoning and Development Code, Chapter 2, Article VI, Section 2-72(e), Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

Sec. 2-72. - MU-2 (Mixed-Use Downtown Medium Density) district.

(e) *Supplementary development standards.* In addition to the applicable standards found in Chapter 8 of this code, the following regulations apply to the MU-2 district:

- (1) When streetscape improvements in public rights-of-way are constructed, they shall be in accordance with the downtown master plan or downtown improvement plan and shall be incorporated into a site development permit.

- (2) *Parking.* In accordance with the downtown master plan, the following standards are meant to encourage a pedestrian-friendly environment by minimizing curb cuts and the presence of on-site parking. Where on-site parking is incorporated, it shall be placed in an unobtrusive location that minimizes impacts to pedestrian circulation.
- a. *On-site parking.* On-site parking may consist of surface-level or structured parking.
1. On-site parking is not required for nonresidential establishments, with the following exceptions:
 - i. Overnight accommodations at the ratio at 0.8 parking spaces per bedroom. A parking generation study shall be required for event and conference space within overnight accommodations.
 - ii. Parking determined to be required as a result of a parking generation study performed in accordance with subsection (2) below. Alternative solutions may include a shared parking agreement as described in Sec. 8-47, on-site parking, or other solution as approved by the zoning administrator.
 2. On-site parking shall be required for all residential uses, or residential portions of any building.
 - i. *Minimum required residential parking.*
 - (i) One space per residential unit regardless of dwelling unit type shall be required for any project with 20 units or less.
 - (ii) For projects with 21 or more residential units regardless of dwelling unit type:
One (1) bedroom shall require one (1) space
Two (2) or more bedrooms shall require two (2) spaces.
Guest parking shall be an additional 5% of the total number of required spaces.
 - ii. *New garages for residential units.*
 - (i) The location of new garages and their associated driveways shall be approved by the city.
 - (ii) Garages are prohibited in any street yard. For an existing single-family dwelling, a garage on a primary frontage shall be set back from the primary façade a minimum of ten (10) feet. A garage may be permitted off of a non-primary frontage if a lot does not have access from an alley.
 3. Overnight fleet parking shall be prohibited in rights-of-way and in public parking lots and garages. When located on-site, no more than (3) fleet vehicles shall be permitted and shall be screened from a public street by a building or wall, hedge or other landscaping screen that is at least three feet in height.
- b. If on-site surface-level parking is proposed or required, it shall be in accordance with the following requirements in addition to standards provided in chapter 8, article VI of this code:
1. Parking and access shall be permitted only on improved surfaces.
 2. Wherever possible, alleys shall be utilized to access on-site parking areas.
 3. If a property owner desires vehicular access from the alley and the alley is not improved, the property owner shall be responsible for the necessary improvements from the alley entrance to the entrance of the parking area. The alley entrance shall have a maximum 15 foot curb return radius in accordance with Type 2 driveway standards in the city's Design and Construction Standards.

4. Where a service drive and service bay are installed, access shall be from the rear of the property and only one (1) roll-up service door shall be permitted on the rear elevation of the building. Loading docks are prohibited.
5. Vehicular entrances to all parking areas shall have a maximum five (5) foot curb return radius in accordance with Type 1 driveway standards in the city's Design and Construction Standards.
6. On-site parking areas are prohibited in any street yard associated with a primary facade with the exception of double frontage lots where parking is permitted in the rear street yard. For double frontage lots, the non-primary frontage will be considered the rear of the property.
7. All parking shall be setback a minimum of five (5) feet from any street-facing building facade, with the exception of in the rear street yard of a double frontage lot.
8. All existing driveways that are no longer required for parking access shall be removed and replaced with landscaping at the time of site plan review and street improvements installed to match adjacent areas.
9. On-site parking areas visible from a public street shall be screened by a building or wall, hedge or other landscaping screen that is at least three (3) feet in height.
- c. For lots located on Brushy Creek or Lake Creek, if on-site parking is constructed, it may be allowed in the street yard when other options are not available. Parking lots with more than 30 spaces shall comply with the requirements of Secs. 8-10(f)(1) and (g)(1).
- d. *On-street parking.* The applicant for a building permit may provide interim on-street parking adjacent to the property, if the existing right-of-way will accommodate it and improved on-street parking and/or public parking lots are not available within 300 feet. The materials, design and location of the interim parking improvements shall be in accordance with the downtown master plan or downtown improvement plan and approved by the zoning administrator.
- e. *Structured parking.* All structured parking garages where any of the parking is above grade shall meet the following standards:
 1. The first 20 feet in height of the elevation of a garage that faces a public street, except for pedestrian and vehicular ingress and egress areas, shall require either a ground-level use or vehicle parking areas to be screened from view from a public street by means of landscaping or manufactured materials.
 2. Exterior garage building materials shall be limited to natural stone, simulated stone, brick, or split-face or stone-face concrete masonry units (CMU). In addition, architectural steel or metal may be used as accent features.
 3. The glazing percentage requirements provided in subsection (e) shall apply to ground-level occupant spaces, if any.
 4. Pedestrian access.
 - i. Pedestrian ingress and egress to all parking structures shall provide access directly to a street or public frontage except for underground parking levels, where pedestrians may exit the parking area directly into a building.
 - ii. Pedestrians shall have direct access from parking areas to the street on the primary frontage.
 - iii. There shall be direct access to the street from commercial uses.
5. Vehicular access shall be from a non-primary frontage where possible.

- 1 6. Service access shall be from an alley where possible. Where an alley does not exist,
2 service access shall be from a non-primary frontage where one exists and shall be
3 enclosed or screened from view.
- 4 f. *Off-site parking.* Off-site parking shall be permitted on a limited basis in accordance with the
5 standards found in subsection (e)(4)b. below.
- 6 (3) *Parking generation studies.*
- 7 a. A parking generation study for nonresidential uses shall be required for any new
8 development, conversion, or change of use within a building that has a gross floor area of
9 greater than 10,000 square feet, and for assembly uses, event centers, and conference
10 space of any size.
- 11 1. The parking generation study shall include the following criteria:
- 12 i. A demand analysis of parking need based on industry standards.
- 13 ii. Characteristics of those using parking, including turnover rate.
- 14 2. In instances where a required parking generation study determines that a use will utilize
15 ten or more on-street parking spaces at a turnover rate of greater than every two hours,
16 the use shall be required to identify alternative parking solutions. Alternative solutions
17 may include a shared parking agreement as described in subsection Sec. 8-47, on-site
18 parking, or other solution as approved by the zoning administrator.
- 19 b. The purpose of this subsection is to permit, on a limited basis, private parking on a lot without
20 buildings and/or not on the same site as the land use or uses associated with the parking.
- 21 1. In order to determine whether parking may occur on a lot separate from its associated
22 land use(s), a parking generation study shall be submitted by an applicant when parking
23 demand for proposed land use(s) in a development exceeds available parking based
24 on the commercial parking standards in Sec. 8-46 for the proposed use(s).
- 25 2. Available parking is determined by the number of spaces on private property outside of
26 the street yard and improved parking spaces in the right-of-way adjacent to the property.
- 27 3. A parking generation study for this analysis shall include the following criteria:
- 28 i. The parking demand of the proposed use or uses based on the standards found in
29 Sec. 8-46;
- 30 ii. The number of on-site parking spaces associated with a development that are not
31 located in the street yard; and
- 32 iii. The number of spaces that will be improved in the right-of-way in accordance with
33 the City's downtown parking plan for any road frontage associated with a
34 development. These spaces may or may not be determined to meet demand
35 depending on the timeline for public improvement.
- 36 4. If the parking generation study determines that additional parking is necessary, the
37 applicant may be required to provide that parking at an alternate location. Parking may
38 be provided through a shared parking agreement or if the need is demonstrated, parking
39 may be located on a separate private lot for the associated use even if the parking is
40 located in the street yard. Private parking lots shall meet the following standards:
- 41 i. Parking lots shall be designed in accordance with City standards including parking
42 space design and surfacing requirements.
- 43 ii. Driveways shall be no greater than the minimum width required by City standards.
- 44 iii. Parking lots shall meet the following requirements for interior parking lot
45 landscaping and landscape buffers:
- 46 (i) Interrupting islands shall not be required.

- (ii) End islands shall be provided at the terminus of each parking bay and shall have a minimum width of nine (9) feet from face of curb to face of curb. Head-to-head parking bays shall include two (2) such end islands. Each end island shall have one (1) large three (3) inch caliper shade tree and meet additional planting requirements for end islands in accordance with Sec. 8-10(f). In lieu of end islands, an island at each corner of a lot may replace end islands but shall have the same planting requirements. Existing healthy trees of a protected species in appropriate locations may be used as credits for these required trees as described in Sec. 8-10(f)(1)f.
- (iii) Perimeter vegetation consisting of a solid hedge row of evergreen shrubs planted at three (3) feet on-center shall provide screening from the ground to a minimum height of 36 inches, except for walkway and driveway access areas.
- (iv) Parking lots with greater than 30 spaces shall meet the interior parking lot landscaping and landscape buffers in Secs. 8-10(f) and (g), rather than those in this section.
- (v) All parking lot landscaping shall be irrigated in accordance with Sec. 8-10(k).
- iv. Any parking lot that shares a property line with a single-family use shall install a six (6) foot tall masonry fence to screen vehicles from view in lieu of perimeter vegetation. This requirement does not alter the requirement of end islands along the affected property lines.
- v. Parking shall not be used for commercial, for-profit purposes.
- vi. Trucks, tractor-trailers, semi-trucks, and semi-trailers shall not be parked in parking lots. Panel trucks, pickup trucks, and those motor vehicles necessary and accessory to the operation of the associated use may utilize the parking lot as long as the vehicle has no more than two (2) axles.
- (4) *Access and circulation.*
- a. Vehicle access and circulation standards provided in Sec. 8-60 apply to all new development. These include requirements for connections to existing and future roads, connection to adjacent development, and design requirements for driveways.
- b. Drive-throughs shall be prohibited.
- (5) *Lot fencing design standards.* The following standards apply to fencing in the MU-2 district, in addition to the applicable standards of Sec. 8-35:
- a. Fences shall be constructed of the following materials: brick, natural stone, simulated stone, or shall be view fencing. Other decorative masonry materials, reinforced concrete, or view fencing equivalents may be approved by the zoning administrator. Wood fencing may be permitted if deemed appropriate by the zoning administrator based on the architecture and exterior materials of the principal building. Single-family uses may install new wood fencing or replace existing wood fencing with the same or a similar material and in accordance with subsection (e)(6)b, below.
- b. All fences shall provide a finished face to abutting single-family or townhouse uses.
- c. Fences outside the street yard may be eight (8) feet in height to accommodate topographical changes, as approved by the zoning administrator.
- d. View fencing in the street yard shall be permitted to reach a height of six (6) feet.
- e. Fences shall be eight (8) feet in height where outdoor rear or side dining or patio areas associated with eating establishments and indoor entertainment uses share a common lot line with a residential use, except for multi-story apartments and upper story residential.

- 1 f. Decorative street yard fencing of a material other than one specified above may be approved
2 by the zoning administrator, except that chain link fencing is prohibited.
- 3 g. Opaque screening, including fencing, of a maximum of six (6) feet in height shall be required
4 in the street yard for the purpose of screening service areas containing supplies, equipment
5 and restrooms, subject to the approval of the zoning administrator.
- 6 h. Opaque fences up to 6 feet tall constructed of brick, natural stone, simulated stone or other
7 decorative masonry materials or reinforced concrete may be permitted in a rear street yard
8 for the purpose of enclosing a patio if approved by the zoning administrator.
- 9 i. Repairs shall be made with materials comparable in composition, color, size, shape and
10 quality to the original fence. Products not intended to be used as fencing are prohibited from
11 being used in the repair of a fence.
- 12 (6) *Landscaping.*
- 13 a. Landscaping, including landscape foundation treatment, shall be required in accordance with
14 the standards in Sec. 8-10.
- 15 1. Where the building setback does not provide adequate space, a license agreement shall
16 be required to place required foundation treatment in the right-of-way.
- 17 2. Streetscape improvements shall not count towards the required foundation treatment
18 calculation.
- 19 b. Minor modifications to design and development standards may be permitted to protect and
20 accommodate protected trees as identified in chapter 8, article III.
- 21 c. Pervious concrete and pervious pavers for parking and maneuvering areas are permitted.
22 Other permeable surfaces may be approved by the zoning administrator.
- 23 (7) *Outdoor storage, display, and sales.*
- 24 a. General outdoor storage is prohibited.
- 25 b. Outdoor display, sales and limited outdoor storage shall be allowed in accordance with Sec.
26 8-65.
- 27 c. Limited outdoor storage is prohibited in the street yard.
- 28 (8) *Ground-mounted equipment.* Screening for air conditioning units and electrical transformers shall
29 be in conformance with Sec. 8-40. All other ground-mounted equipment, including gas or liquid
30 canisters and tanks, shall be screened from public view and adjacent properties by a stone or
31 brick wall.
- 32 (9) *Site furniture and sidewalk furniture.*
- 33 a. With the exception of single-family uses, site furniture and sidewalk furniture, as defined in
34 Sec. 1-50, shall be required to be of a commercial grade and manufactured for exterior use.
- 35 b. All sidewalk furniture, which pertains to moveable outdoor furniture and features in the right-
36 of-way, including alleys, must comply with the Sidewalk Furniture program.
- 37 c. A sidewalk furniture license agreement and permit shall be required for all sidewalk furniture.
- 38 d. No plastic site furniture or sidewalk furniture shall be permitted.
- 39 e. Sidewalk furniture shall include sandwich boards which must be in accordance with Sec. 8-
40 79.
- 41 (10) *Special conditions for public open space including parks, trails, creeks, and public plazas.*
- 42 a. As required by building type in subsection (f), building facades abutting public open spaces
43 shall meet design requirements for a primary façade.

- b. No opaque fences shall be allowed on the portion of a lot abutting any public open space. Wrought iron fencing or equivalent may be used.
- c. There shall be no loading or service areas between the buildings and public open spaces.
- d. An eight-foot wide linear landscaped area in accordance with Sec. 8-10(g)(3) shall be required on lots abutting public open space that have their parking between the buildings and the public open space. If site constraints inhibit the incorporation of the required landscaped area, alternative landscaping may be approved by the zoning administrator.

(11) *Lighting.*

- a. The height of a freestanding light fixture shall not exceed 12 feet.
- b. A minimum of eight (8) feet of clearance shall be required from the finished grade to any hanging lights, including string lights, over a pedestrian area.
- c. Rope and tape/strip lighting shall only be permitted on private property as down lighting.

(12) *Noise.* Exterior speakers are only permitted for service and gathering areas at restaurants/bars and public plazas. Said speakers shall be oriented in such a manner to minimize the amount of sound audible to adjacent properties and in the right-of-way.

XI.

That Zoning and Development Code, Chapter 2, Article VI, Section 2-74(d)(8), Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

Sec. 2-74. - MU-R (Mixed-Use Redevelopment and Small Lot) district.

(d) *Supplementary development standards.* In addition to the applicable standards found in Chapter 8 of this Code, the following regulations apply to the MU-R district:

(8) *Special conditions for public open space including parks, trails, creeks, and public plazas.*

- a. No opaque fences shall be allowed on the portion of a lot abutting any public open space. Wrought iron fencing or equivalent may be used.
- b. There shall be no loading or service areas between the buildings and public open spaces.
- c. An eight (8) foot wide linear landscaped area in accordance with Sec. 8-10(g)(3) shall be required on lots abutting public open space that have their parking between the buildings and the public open space. If site constraints inhibit the incorporation of the required landscaped area, alternative landscaping may be approved by the Zoning Administrator.

XII.

That Zoning and Development Code, Chapter 2, Article VI, Section 2-75(f)(8), Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

1 **Sec. 2-75. - MU-G (Mixed-Use Greenfield and Large Lot) district.**

2 (f) *Baseline supplementary development standards.* In addition to the applicable standards found in
3 Chapter 8 of this Code, the following regulations shall provide the baseline for PUD negotiations for
4 the MU-G district:

5 (8) *Special conditions for open spaces including parks, trails, creeks, and plazas.*

- 6 a. No opaque fences shall be allowed on the portion of a lot abutting any public open space.
7 Wrought iron fencing or equivalent may be used.
- 8 b. There shall be no loading or service areas between the buildings and open spaces.
- 9 c. An eight (8) foot wide linear landscaped area in accordance with Sec. 8-10(g)(3) shall be
10 required on lots abutting public open space that have their parking between the buildings
11 and the public open space. If site constraints inhibit the incorporation of the required
12 landscaped area, alternative landscaping may be approved by the Zoning Administrator.

29 Specifically, plant materials totaling 30 foundation treatment points as set out in the table in
30 subsection (i)(1)c. below, shall be provided in the required island for each large tree to be
31 substituted.

32 **XIV.**

33 That Zoning and Development Code, Chapter 10, Article II, Section 10-10, Code
34 of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as
35 follows:

36 **Sec. 10-10. - General plan amendments.**

- 37 (a) *Applicability.* The city council may from time to time amend, supplement, change, modify or repeal
38 the general plan or portion thereof, after recommendation by the planning and zoning commission.
- 39 (b) *Procedure before the planning and zoning commission.*

- (1) The planning and zoning commission shall hold a public hearing to consider all proposed amendments to the general plan. Notice of the public hearing shall be given in accordance with the procedures in Sec. 10-2(b).
 - (2) Upon such hearing, all interested parties shall have the opportunity to give testimony or make inquiries regarding any proposed amendment.
 - (3) After such hearing, the planning and zoning commission shall make its recommendation regarding any proposed amendment.
 - (4) Recommendations made by the planning and zoning commission shall be reported to the city council in writing.
- (c) *Procedure before the council.*
- (1) After receiving the recommendation of the planning and zoning commission, the city council shall hold a public hearing on same. Notice of the public hearing shall be given in accordance with the procedures in Sec. 10-2(b).
 - (2) The city council shall be at liberty to accept, reject, or take other action on the recommendation it receives from the planning and zoning commission, provided that such action furthers the health, safety, and general welfare of the residents of the city.

XV.

That Zoning and Development Code, Chapter 10, Article III, Section 10-15, Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

Sec. 10-15. - Amendments to the zoning and development code.

- (a) *Purpose.* For the purpose of establishing and maintaining sound, stable, and desirable development within the territorial limits of the city, the text of this code shall not be amended except to acknowledge changed or changing conditions in a particular area or in the city generally, or to change the regulations and restrictions of this code. All amendments shall be in accordance with the general plan.
- (b) *Initiation of amendments.* An amendment to the text of this code may be initiated by:
 - (1) City council on its own motion; or
 - (2) The planning and zoning commission.
- (c) *Approval process.*
 - (1) *Review and report by zoning administrator.* The zoning administrator shall review the proposed amendment in light of the general plan and give a report to the planning and zoning commission on the date of the scheduled public hearing.
 - (2) *Public hearing and recommendation by planning and zoning commission.* The planning and zoning commission shall publish notice in accordance with Sec. 10-2(b), hold a public hearing and recommend to the council such action as the commission deems proper.
 - (3) *City council action.*
 - a. *Notice.* The city council shall publish notice in accordance with Sec. 10-2(b) and hold a public hearing before rendering decisions on a petition to amend this Code.
 - b. *Public hearing.* The city council shall hold a public hearing and approve, approve with modifications or conditions, or disapprove the amendment application.

1 (d) *Review criteria.* In determining whether to approve, approve with modifications or conditions, or
2 disapprove amendments to this code, the city council shall consider and make findings on the following
3 matters regarding the proposed amendment:

- 4 (1) Whether the proposed amendment is consistent with the general plan;
5 (2) Whether the proposed amendment advances the stated scope and purpose of this code as
6 stated in Sec. 1-3; and
7 (3) Whether the proposed amendment advances the stated purpose of any zoning district it may
8 affect.

9 **XVI.**

10 That Zoning and Development Code, Chapter 10, Article IV, Section 10-21(c),
11 Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as
12 follows:

13 **Sec. 10-21. - Map amendment (rezoning).**

14 (c) *Approval process.*

- 15 (1) *Review and report by zoning administrator.* The zoning administrator shall review the proposed
16 amendment to the official zoning map in light of the general plan, subject to the criteria
17 enumerated in subsection (d) of this section, and give a report to the planning and zoning
18 commission on the date of the scheduled public hearing.
- 19 (2) *Referral to planning and zoning commission.* The zoning administrator, upon receipt of
20 application to amend the official zoning map, shall refer the same to the planning and zoning
21 commission for study, hearing, and report. The city council may not enact the proposed
22 amendment until the commission makes its report to the city council.
- 23 (3) *Public hearing and recommendation by planning and zoning commission.* The planning and
24 zoning commission shall publish and mail public notice in accordance with Sec. 10-2(b), shall
25 hold a public hearing and recommend approval, approval with modifications or conditions, or
26 disapproval to the council.
- 27 (4) *City council action.*
- 28 a. *Notice.* The city council shall publish and mail public notice in accordance with Sec. 10-2(b),
29 and hold a public hearing before rendering a decision on an amendment to the official zoning
30 map.
- 31 b. *Public hearing.* The city council shall hold a public hearing and approve, approve with
32 modifications or conditions, or disapprove the application to amend the official zoning map.
- 33 c. *Effect of planning and zoning commission recommendation for disapproval.* If the planning
34 and zoning commission has recommended that the city council disapprove a potential zoning
35 map amendment, the amendment shall not become effective except by the favorable vote
36 of three-fourths of all members of the city council.
- 37 d. *Effect of protest to proposed amendment.* In accordance with V.T.C.A., Local Government
38 Code § 211.0061, a protest to a proposed change to a zoning regulation or district boundary
39 must be written and signed by the owners of:
- 40 1. At least 20 percent of the area of the lots or land covered by the proposed change; or
41 2. At least 20 percent of The area of the lots or land immediately adjoining the area covered
42 by the proposed change and extending 200 feet from that area; or

3. At least 60 percent of the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area if the proposed change has the effect of allowing more residential development than the existing zoning regulation or district boundary and does not have the effect of allowing additional use is limited to the first floor of any residential development and does not exceed 35 percent of the overall development.

In computing the percentage of land area under this subsection, the area of streets and alleys shall be included and the land area is not calculated individually for each tract of land subject to a proposed change in a zoning regulation or district boundary but in the aggregate for all tracts of land subject to the change.

If a written protest that meets the conditions described by subsection (d)(1) or (d)(2) is presented to the city clerk prior to the public hearing for the map amendment, the amendment shall become effective only with the favorable vote of three-fourths of all members of the city council.

If a written protest that meets the conditions described by subsection (d)(3) is presented to the city clerk prior to the public hearing for the map amendment, the amendment shall become effective only with the favorable vote of a majority of all members of the city council.

XVII.

That Zoning and Development Code, Chapter 10, Article V, Section 10-27(f), Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as follows:

Sec. 10-27. - Preliminary plat.

(f) *Revisions to approved preliminary plats.*

- (1) *Minor revisions to approved preliminary plats.* The PDS director may administratively approve minor revisions to approved preliminary plats. The developer shall submit a preliminary plat application that contains all the materials listed in the development packet. A minor revision is one that:

- a. Changes the lot size or configuration provided that the total number of lots does not increase;
- b. Changes a local street width or alignment; or
- c. Changes a utility or access easement.

(2) *Major revisions to approved preliminary plats.* The PDS director may approve major revisions to approved preliminary plats. Proposed major revisions to an approved preliminary plat shall trigger the submittal of a new concept plan in conjunction with the major revision requested and trigger notice requirements provided for in Sec. 10-2(b), with the exception that concept plans contained within a Planned Unit Development are not required to be re-submitted. The developer shall submit a preliminary plat application that contains all the materials listed in the development packet. A major revision may include, but is not limited to the following:

- An increase in the number of lots;
- A change to the collector or arterial street layout; or
- A modification of the parkland.

1 **XVIII.**

2 That Zoning and Development Code, Chapter 10, Article VII, Section 10-50(b),
3 Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as
4 follows:

5 **Sec. 10-50. - Variances.**

6 (b) *Approval process.*

7 (1) *Review and report by zoning administrator.* Once the application is complete, the zoning
8 administrator shall review the variance application, subject to the review criteria enumerated in
9 subsection (c) below, and give a report to the zoning board of adjustment on the date of the
10 scheduled public hearing.

11 (2) *Action by the zoning board of adjustment.*

12 a. *Notice.* The zoning board of adjustment shall mail notice in accordance with Sec. 10-2(b).

13 b. *Variance review and public hearing.*

14 1. In conjunction with review of the variance application, subject to the criteria listed in
15 subsection (c) of this section, the zoning board of adjustment shall hold a public hearing
16 and shall make a written finding and give its approval, approval with modifications or
17 conditions, or disapproval.

18 2. It shall take a concurring vote of 75 percent of the members of the ZBA to approve or
19 approve with modifications or corrections an application for a variance from this Code.

20 **XIX.**

21 That Zoning and Development Code, Chapter 10, Article VII, Section 10-53(c),
22 Code of Ordinances (2018 Edition), City of Round Rock, Texas, is hereby amended as
23 follows:

24 **Sec. 10-53. - Special exceptions.**

25 (c) *Approval process.*

26 (1) *Review and report by zoning administrator.* Once the application is complete, the zoning
27 administrator shall review the proposed development in light of the general plan, subject to the
28 criteria enumerated in subsection (d) of this section, and give a report to the zoning board of
29 adjustment on the date of the scheduled public hearing.

30 (2) *Zoning board of adjustment (ZBA) action.*

31 a. *Notice.* The zoning board of adjustment shall mail notice in accordance with Sec. 10-2(b).

32 b. *Public hearing.*

33 1. In conjunction with review of the special exception application, subject to the criteria
34 enumerated in subsection (d) of this section, the zoning board of adjustment shall hold
35 a public hearing and approve, approve with modifications or conditions, or disapprove
36 the special exception application.

2. It shall take a concurring vote of 75 percent of the members of the ZBA to approve or approve with modifications or corrections a special exception application.

c. *Recordation of action.* One copy of an approved special exception permit shall be given to the owner of the property, and one copy shall be filed in the office of the zoning administrator.

XX.

A. All ordinances, parts of ordinances, or resolutions in conflict herewith are expressly repealed.

B. The invalidity of any section or provision of this ordinance shall not invalidate other sections or provisions thereof.
