RE: Capital Improvements Advisory Committee – Semi-Annual Meeting

Dear Mayor Morgan and Council Members:

The Capital Improvements Advisory Committee met on November 20, 2024, to consider and approve the semi-annual report to the City Council with respect to the progress of the Capital Improvements Plan and identification of any perceived inequities in the Roadway Impact Fees. The findings are addressed in Chapter 395.058(c) of the Texas Local Government Code.

After discussion, the Committee found no perceived inequities in implementing the plan or imposing the Roadway Impact Fee. Therefore, a motion was made to approve and forward the report from the Public Works Department – Transportation Division to the City Council, with updated city comparison data.

Sincerely,

Rob Wendt, Chairman
Capital Improvements Advisory Committee
