**Replat of Stone Oak at Round Rock Section 6, Lot 2 Subdivision
FINAL PLAT FP2207-003**

HISTORY: The Planning and Zoning Commission approved the original “Stone Oak at Round Rock Section 6, Lot 2” final plat on March 20, 2002. This Replat request is to combine one existing platted lot with additional unplatted acreage to create one development lot.

DATE OF REVIEW: August 17, 2022

LOCATION: Generally located north of RM 1431 and east of Stone Oak Dr.

STAFF REVIEW AND ANALYSIS:

Comprehensive Plan and Zoning: The Future Land Use Map of the Round Rock 2030 Comprehensive Plan designates this tract for residential use and is zoned TH (Townhouse). The TH zoning district allows for a maximum of 14-dwelling units per acre.

Traffic, Access, and Roads: The subject tract has frontage along Stone Oak Drive and RM 1431. Roadway Impact Fees (RIFs) will be required at the submittal of the building permit and will be assessed based on the date of final plat recordation.

Water and Wastewater Service: Water and wastewater service will be provided by the City of Round Rock. Water service will be provided via a connection to an existing 12-inch waterline along Stone Oak Drive. Wastewater service will be provided via a connection to an existing 8-inch wastewater line along Stone Oak Drive.

Drainage: A flood study (FLOOD2205-0003) was approved on June 10, 2022. The applicant intends to detain stormwater on-site, and the final location of proposed detention facilities will be determined at the site development permit stage.

RECOMMENDED MOTION:

Staff recommends approval with the following conditions:

1. Prior to recordation, revise the easement being dedicated to the City of Round Rock as “Storm Sewer and Drainage Easement”, not “Drainage, Storm and Sewer Easement.”
2. Prior to recordation, revise legend to include line types.
