**Chandler Creek Medical Pavilion
FINAL PLAT FP1503-006**

HISTORY: The Planning and Zoning Commission approved the Final Plat In November 2008.

DATE OF REVIEW: April 15, 2015

DESCRIPTION: 23.40 acres out of the Ephraim Evans Survey, Abstract No. 212.

LOCATION: South side of University Blvd between Cypress Blvd and Sunrise Rd.

STAFF REVIEW AND ANALYSIS:

General Plan and Zoning:

The General Plan identifies commercial uses for this area. The purpose of this plat is to relocate an interior lot line between two existing lots. The amending plat will result in a 1.942 acre lot at the corner of University Blvd and Sunrise Road, and a second 21.458 acre lot that is currently developed further south with a multi-story medical office building.

The C-1a zoning district allows for a variety of retail sales and service uses, along with offices and restaurants. The design standards include masonry exterior finish, building articulation, architectural offsets, and screening. The proposal complies with the Zoning and Subdivision Ordinances.

Traffic, Access and Roads: The proposed plat did not warrant an updated traffic impact analysis. The City is negotiating a right-of-way purchase shown on the north side of the plat to facilitate the upcoming University Blvd. road widening project. There are existing driveway locations that necessitate the access easements shown on the schematic.

Water and Wastewater Service: The site is currently served by existing water and wastewater lines within the tract.

Drainage: There are no drainage concerns for the tract.

Additional Considerations: None.

RECOMMENDED MOTION:

Staff recommends approval with the following conditions:

1. Depict the existing PUE along University Blvd.
2. Add the document numbers for the recorded plats referenced in the title.
