Capital Gymnastics
FINAL PLAT FP1510-005

HISTORY: The Planning and Zoning Commission approved the original preliminary plat for this lot on February 1, 2012. However the applicant has submitted a revised preliminary plat that is on the agenda for this meeting.

DATE OF REVIEW: November 4, 2015

LOCATION: Along the west side of Campus Village Drive south of its intersection with Satellite View, generally south of University Boulevard.

STAFF REVIEW AND ANALYSIS:

General Plan and Zoning: The General Plan designates this property as commercial. PUD 83 permits commercial uses in this particular area. The proposed land use of a gymnastics training facility conforms to the specific use restrictions in the PUD, which conforms to the General Plan.

Traffic, Access and Roads: The property has frontage along Campus Village Drive and access is proposed via a driveway near the southern end of the property. An approved traffic impact analysis exists for the PUD, and the proposed use for this lot does not require a TIA revision.

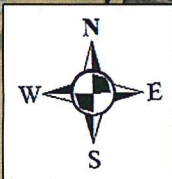

Water and Wastewater Service: The property is served with City water and wastewater utilities. The user will tap into a 12" water stub near the southeast corner of the property and an 8" wastewater stub nearby. Wastewater will then be extended to the abutting properties to the south, west, and northwest, which already have water service.

Drainage: There are no drainage concerns for the proposed project. Drainage infrastructure exists that is capable of serving the lot.

RECOMMENDED MOTION:

Staff recommends approval with the following condition:

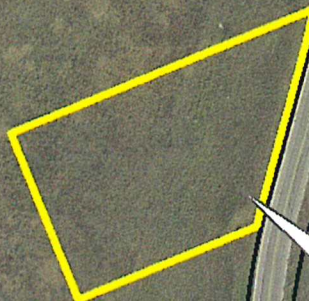

1. Ensure note 4 states verbatim from the City of Round Rock plat checklist, "No portion of this tract is encroached by any special flood hazard areas inundated by the 1% annual chance floodplain as identified by the U.S. federal emergency management agency boundary map (Flood Insurance Rate Map) community panel number 48491C0485E, effective date September 26, 2008, for Williamson County, Texas."
