**HISTORY:** The Concept Plan for this property was part of PUD (Planned Unit Development) No. 101, recommended by the Planning and Zoning Commission on January 7, 2015 and approved by the City Council on June 25, 2015.

**DATE OF REVIEW:** November 4, 2015

**LOCATION:** Northeast of the intersection of CR 175 and RM 1431.

**STAFF REVIEW AND ANALYSIS:**

General Plan and Zoning:

The PUD No. 101 zoning district is in conformance with the General Plan residential designation. The proposed Preliminary Plat consists of two phases, with two development lots in the first phase and one development lot in the second phase. The phases are bisected by the right-of-way for Arterial H, which was dedicated to Williamson County for construction of the roadway.

Lots 1 and 3 are proposed for commercial development and Lot 2 is proposed for single family common lot development. The housing units will be served by private drive aisles, with a sidewalk on one side. The 5 acre commercial parcel, located at the corner of the proposed Arterial H and CR 175, will allow neighborhood retail sales and services and office uses, with restrictions. The 1.2 acre commercial parcel will allow for limited neighborhood retail sales and services and office uses. All commercial development will be subject to site and building design requirements.

Traffic, Access and Roads:

The City received and approved a report on the traffic impact the project is anticipated to have on the adjacent roadways. Additional analysis may be required when the specific commercial development projects are proposed.

Water and Wastewater Service:

Water service will be provided by a 16-inch line to be constructed within the Arterial H right-of-way. Wastewater service will be provided by a connection to the City's system via a pass-through agreement with the Vista Oaks MUD (Municipal Utility District).

Drainage:

There are no drainage concerns for this site.

Additional Considerations:

None.

**RECOMMENDED MOTION:**

Staff recommends approval with the following conditions:

1. Revise Note 7 to read: "Building setbacks shall be in accordance with PUD No. 101 and Chapter 46, Zoning, City of Round Rock Code of Ordinances, 2010 Edition, as amended."
2. Revise Note 2 to add: "Subdivision wall adjacent to Arterial H shall be located according to City Utilities Design and Construction Standards, Section 1.7.2 (B) (4) and (16)"
