

**LEGEND:**

— Proposed Roundville Lane Improvements

**NOTES:**

1. The Roundville Lane Project will involve the reconstruction of Roundville Lane from A.W. Grimes Blvd. (CR 170) to the eastbound frontage road of SH 45 for approximately 2,700 feet.
2. This project will be designed as a 3-lane concrete roadway, while requiring Stantec Consulting Services to evaluate, and recommend, either a rural or urban section design based on costs and constructability.

1 in = 200 ft
