Re: Gattis School Road Widening Improvements

Dear Mr. Stablein,

On June 27th, 2017 HDR Engineering assisted the City in opening bids for the above referenced project. Two responsive bid proposals were submitted for the Gattis School Road Widening with total bid prices of \$1,733,500.45 and \$1,763,060.00. A bid tabulation is enclosed for your review. Based on our review of the bids, Smith Contracting Co., Inc. of Austin, Texas is the apparent low bidder.

Based on the information presented, we recommend the City of Round Rock accept the bid of Smith Contracting Co., Inc. in the amount of \$1,733,500.45. We will prepare the Notice of Award Letter and other contract documents to be forwarded to Smith Contracting Co., Inc. if the City of Round Rock concurs with this recommendation.

Sincerely,
HDR Engineering, Inc.
