Rolling 12 Month - General Fund Sales Tax

Other General Fund Revenues

Utility Revenues

Hotel Occupancy Rates and Revenues

Unemployment Data

Notes & Comments

- Sales tax receipts through July (on sales through May) are up 9.01% over the prior year-to-date, largely because Dell receipts are trending 43.28% over the prior year-to-date.
- Most property tax collections occur from November through January each year. Collections have been strong in 2017/18 and budgeted revenues have been met.
- Utility revenues are trending in line with budget through the first 3 quarters. Water revenues for 2017/18 include the 3.5% rate increase that went into effect on 10/1/2017.
- Hotel occupancy tax and venue tax revenues are trending strong and are in line with budget.
- Overall for GF revenues – In addition to strong sales tax and property tax collections, all other General Fund revenues appear strong and on target overall.
 - Contracts & Other are well ahead of prior year actuals YTD because of the Fire Opioid grant included in the FY 2018 Mid-Year Budget Amendment and higher reimbursement revenues for Fire Protection from Williamson County ESD #9.
