GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority-, woman- and service disabled veteran-owned businesses as HUBs and facilitates the use of HUBs in state procurement and provides them with information on the state's procurement process. The CPA has established Memorandums of Agreement with other organizations that certify minority-, woman- and service disabled veteran-owned businesses that meet certification standards as defined by the CPA. The agreements allow for Texas-based minority-, woman- and service disabled veteran-owned businesses that are certified with one of our certification partners to become HUB certified through one convenient application process.

In accordance with the Memorandum of Agreement the CPA has established with the City of Austin (COA), we are pleased to inform you that your company is now certified as a HUB. Your company's profile is listed in the State of Texas HUB Directory and may be viewed online at <https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>. Provided that your company continues to remain certified with the COA, and they determine that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the COA in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. Note: Any changes made to your company's information may require the COA and/or the HUB Program to re-evaluate your company's eligibility. Failure to remain certified with the COA, and/or failure to notify them of any changes affecting your company's compliance with HUB eligibility requirements, may result in the revocation of your company's certification.

Please visit our website at <http://comptroller.texas.gov/procurement/prog/hub/> and reference our publications (i.e. Grow Your Business pamphlet, HUB Brochure and Vendor Guide) that will provide you with additional information on state procurement resources that can increase your company's chances of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

Approval Date:	10-JAN-2017
Scheduled Expiration Date:	10-JAN-2020

In accordance with the Memorandum of Agreement between the

and the Texas Comptroller of Public Accounts (CPA), the CPA hereby certifies that

TRINI CONSTRUCTION BUILDER LLC

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate, printed 23-JAN-2017, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, addresses, phone and fax numbers or authorized signatures) provided in the submission of the business' application for registration/certification into the COA's program, you must immediately (within 30 days of such changes) notify the COA's program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility. If your firm ceases to remain certified in the COA's program, you must apply and become certified through the State of Texas HUB program to maintain your HUB certification.

Bobby Pounds, Interim Director
Statewide Support Services Division
