**All purchase orders should note the following:
BuyBoard purchase – Contract Number: 512-16**

Delivery Timing

6 to 8 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole locations.

Notes

Quote is based on:

- Shipment of entire project together to one location
- Structural code and wind speed = 2012 IBC, 115 MPH, Risk Category II, Exposure C
- Owner is responsible for getting electrical power to the site, coordination with the utility, and any power company fees
- Confirmation of pole locations prior to production
- Musco Design #163833R2; Dated March 23, 2018

Thank you for considering Musco for your lighting needs. Please contact me with any questions or if you need additional details.
