Subject: RM 1431 at Texas Crushed Stone & Old Settler's Blvd. at Kenney Fort Blvd. Traffic Signals
Recommendation for Bid Award

Dear Mr. Stablein:

BGE, Inc. performed a bid tabulation of the bid received on 07/18/18 for the subject project. The results of the bid tabulation are as follows:

- | | |
|--|--------------------------|
| 1. Austin Traffic Signal Company, Inc. (ATS) | \$454,961.10 (corrected) |
|--|--------------------------|

The lone bidder is ATS. This bid amount is 10% above the Engineer's estimate. This signal construction company has been in business for several years and has acceptable references.

Our bid tabulation detected one incorrect quantity price calculation, along with an error in the calculated Subtotal Base Bid for the Old Settlers Blvd. at Kenney Fort Blvd. bid that, once corrected, changed the overall low bid amount to \$454,961.10. I have discussed this change with ATS and they concurred with the adjustment. The bid tabulation spreadsheet is attached, reflecting the corrected low bid tabulation. Therefore, we recommend that the construction contract be **awarded to Austin Traffic Signal Company, Inc. in the amount of \$454,961.10.**
