RE: Capital Improvements Advisory Committee – Roadway Impact Fee

Dear Mayor Morgan and Council Members:

The Capital Improvements Advisory Committee met on February 6, 2019, to consider and recommend the proposed roadway maximum impact fee to City Council as part of the Roadway Impact Fee process. The following information is being provided to you pursuant to § 395.058(c) of the Texas Local Government Code.

After discussion, a motion was made to forward the report to the City Council, to implement impact fees which will appropriately address the needs as defined by the Transportation Department, while keeping the City of Round Rock competitive with neighboring communities for development.

Sincerely,

David Pavliska, Chairman  
Capital Improvements Advisory Committee
