HISTORY: The subject tract was recently annexed into the City of Round Rock. On April 11, 2019, the City Council approved the General Plan Amendment (GP1811-001), Annexation (AN1811-003), and Original Zoning (ZON1811-006) applications.

DATE OF REVIEW: April 17, 2019

LOCATION: South of University Boulevard and east of Sunrise Road

STAFF REVIEW AND ANALYSIS:

General Plan and Zoning: The Future Land Use Map designates the subject tract for commercial purposes. The subject tract is zoned C-1a (General Commercial – Limited). The C-1a (General Commercial - Limited) zoning district will allow commercial land uses such as offices, hotels, retail, and restaurants by right. The C-1a development standards require that the exterior building materials be a minimum of 75% natural stone, simulated stone, brick, stone-face or split-face CMU. The remainder of the exterior may be stucco, fiber cement siding, architectural steel or metal.

Traffic, Access and Roads: The subject tract will have access from University Boulevard. Driveway access points will be determined during the site development plan review stage. A Traffic Impact Analysis was deemed not necessary as the applicant will be dedicating right-of-way and adding turn lane improvements to University Boulevard.

Water and Wastewater Service: Water and wastewater service will be provided by the City of Round Rock. The property will connect to an existing water line to the north of the tract along University Boulevard. Wastewater will be connected to an existing public wastewater line located along the southwest property line.

Drainage: This tract is within the Edwards Aquifer Recharge Zone. Therefore, water quality is required for the tract. An open space/drainage lot will be provided for the tract on Lot 1. Lot 1 will treat and detain the proposed storm water flows. A storm sewer system will be stubbed to each of the lots with a private storm water system.

RECOMMENDED MOTION:

Staff recommends approval with the following conditions:

1. Include the Planning and Zoning Commission date as April 17, 2019.
2. Remove plat note number 8 on sheet 2.
