Subject: Proposed Traffic Signal Construction at McNeil St at St. Williams & Plans of Proposed Roadway Improvements at Various Locations along UPRR Line. Recommendation for Bid Award

Dear Mr. Stablein:

BGE, Inc. performed a bid tabulation of the bid received on 03/26/2019 for the subject project. The results of the bid tabulation are as follows:

- | | |
|--|--------------|
| 1. Austin Traffic Signal Company, Inc. (ATS) | \$419,195.08 |
|--|--------------|

The lone bidder is ATS. This bid amount is 9% below the Engineer's estimate. This signal construction company has been in business for several years and has acceptable references.

The bid tabulation spreadsheet is attached, reflecting the low bid tabulation. Therefore, we recommend that the construction contract be **awarded to Austin Traffic Signal Company, Inc. in the amount of \$419,195.08.**
