### Notes & Comments

- Sales tax receipts through July (on sales through May) are up 6.14% over the prior year-to-date.
- Most property tax collections occur from November through January each year. Collections have been strong in 2018/19 and budgeted revenues have been met.
- Utility revenues are trending in line with budget through the first 3 quarters. Water revenues for 2018/19 include the 3% rate increase that went into effect on 10/1/2018.
- Hotel occupancy tax and Venue tax revenues are trending in line with budget.
- Overall for GF revenues - In addition to strong sales tax and property tax collections, all other General Fund revenues appear strong and on target overall.
  - Contracts & Other is trending less than last year because of the timing of the Fire Opioid grant proceeds.
  - Administrative Reimbursements are trending ahead of last year because we increased the transfer amount from Type B for FY 2019.
  - Municipal Court fines are up due to rising ticket counts. Ticket counts through the first 3 quarters are the highest since 2010-2011.
