To Whom it May Concern:

The Post Office is requesting a name change for the street **Arezzo View** in the Vizcaya subdivision.

Currently there is an **Arezzo Drive** in the Siena neighborhood. While they are not exactly the same we have noticed that the machines are having a hard time separating between the two streets properly. To ensure that our customers are not affected, a name change would be greatly appreciated.

If I can be of further assistance, please do not hesitate to contact me at:

Sincerely,
