**Items Awarded.** All bid items on Exhibit "A" are awarded to Services Provider.

**Scope of Work.** For purposes of this Agreement, City has issued documents delineating the required services (specifically Invitation for Bid Solicitation Number 20-012 dated July 2020). Services Provider has issued its response agreeing to provide all such required service in all specified particulars. All such referenced documents are included in Exhibit "A" attached hereto and made a part hereof for all purposes. When taken together with the appended exhibits, this Agreement shall evidence the entire understanding and agreement between the parties and shall supersede any prior proposals, correspondence or discussions.

Services Provider shall satisfactorily provide all services described under the attached exhibits within the contract term specified in Section 2.01. Services Provider's undertakings shall be limited to performing services for the City and/or advising City concerning those matters on which Services Provider has been specifically engaged. Other governmental entities within the State of Texas may be extended the opportunity to purchase off of the City's bid, with the consent and agreement of the successful services provider(s) and the City. Such agreement shall be conclusively inferred for the Service Provider from lack of exception to this clause in the Service Provider's response. However, all parties hereby expressly agree that the City is not an agent of, partner to, or representative of those outside agencies or entities and that the City is not obligated or liable for any action or debts that may arise out of such independently-negotiated "piggyback" procurements.

## **8.01 NON-APPROPRIATION AND FISCAL FUNDING**

This Agreement is a commitment of City's current revenues only. It is understood and agreed that City shall have the right to terminate this Agreement at the end of any City fiscal year if the governing body of City does not appropriate funds sufficient to purchase the services as determined by City's budget for the fiscal year in question. City may affect such termination by giving Services Provider a written notice of termination at the end of its then current fiscal year.

## **9.01 PROMPT PAYMENT POLICY**

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Services Provider will be made within thirty (30) days of the day on which City receives the performance, supplies, materials, equipment, and/or deliverables, or within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which City receives a correct invoice for the performance and/or deliverables or services, whichever is later. Services Provider may charge interest on an overdue payment at the "rate in effect" on September 1 of the fiscal year in which the payment becomes overdue, in accordance with V.T.C.A., Texas Government Code, Section 2251.025(b); however, this Policy does not apply to payments made by City in the event:

- B. The terms of a federal contract, grant, regulation, or statute prevent City from making a timely payment with federal funds; or

- C. There is a bona fide dispute between Services Provider and a subcontractor or between a subcontractor and its supplier about the goods delivered or the service performed that causes the payment to be late; or
- D. Invoices are not mailed to City in strict accordance with instructions, if any, on the purchase order or the Agreement or other such contractual agreement.

#### **10.01 GRATUITIES AND BRIBES**

City may, by written notice to Services Provider, cancel this Agreement without liability to Services Provider if it is determined by City that gratuities or bribes in the form of entertainment, gifts, or otherwise were offered or given by Services Provider or its agents or representatives to any City officer, employee or elected representative with respect to the performance of this Agreement. In the event that no written assurance is given within the reasonable time specified when demand is made, then and in that event the demanding party may treat such failure as an anticipatory repudiation of this Agreement.

#### **16.01 DEFAULT**

If Services Provider abandons or defaults under this Agreement and is a cause of City purchasing the specified goods elsewhere, Services Provider agrees that it may be charged the difference in cost, if any, and that it will not be considered in the re-advertisement of the service and that it may not be considered in future bids for the same type of work unless the scope of work is significantly changed.

C. Services Provider has the right to terminate this Agreement only for cause, that being in the event of a material and substantial breach by City or by mutual agreement to terminate evidenced in writing by and between the parties.

D. In the event City terminates under subsections (A) or (B) of this section, the following shall apply: Upon City's delivery of the referenced notice to Services Provider, Services Provider shall discontinue all services in connection with the performance of this

Agreement and shall proceed to cancel promptly all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after such notice of termination, Services Provider shall submit a statement showing in detail the goods and/or services satisfactorily performed under this Agreement to the date of termination. City shall then pay Services Provider that portion of the charges, if undisputed. The parties agree that Services Provider is not entitled to compensation for services it would have performed under the remaining term of the Agreement except as provided herein.

#### **18.01 INDEMNIFICATION**

Services Provider shall defend (at the option of City), indemnify, and hold City, its successors, assigns, officers, employees and elected officials harmless from and against all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, attorney's fees, and any and all other costs or fees arising out of, or incident to, concerning or resulting from the fault of Services Provider, or Services Provider's agents, employees or subcontractors, in the performance of Services Provider's obligations under this Agreement, no matter how, or to whom, such loss may occur. Nothing herein shall be deemed to limit the rights of City or Services Provider (including, but not limited to the right to seek contribution) against any third party who may be liable for an indemnified claim.
