6.	SP-25 Priority Needs under Narrative		 During the development of the CDBG 2020 Action Plan and while consulting with city departments, CDBG staff realized that the neighborhood services division has gotten an increase of calls from residents and neighborhood leaders regarding the needs for code enforcement in the low to moderate income neighborhoods. Code enforcement division echoed that and also the need for another 1.5 code enforcement officer to patrol those areas exclusively. On March13, 2020, Governor Abbott declared a State of Disaster in Texas due to the COVID-19 pandemic. This declaration remains effective. All small businesses that are not "essential" are currently

closed. As a result of the COVID-19 pandemic, residents of the City of Round Rock are in need of assistance with food and housing; small businesses are in need of grants to avoid permanent closure; and COVID-19 test kits. 7. SP-35		•		-
