**Subject:** fire station near my house

Mr. Von Rosenberg,

*I am appalled that the location you selected on Double Creek is being considered for a fire station.*

*I think it is a shame to ruin the property value of our neighborhood by having that monstrosity nearby.*

*The noise factor alone is very disturbing*

*Surely there is a much more isolated spot you could choose.*

*If my input counts, I say NO to the fire station on Double Creek unless it is in a much less populated area.*

***Please** take your fellow citizen taxpayers into consideration and do NOT locate it at the spot you are considering.*

*Sincerely,*

*Sylvia Brown
