Consider a resolution authorizing the Mayor to execute an Agreement with Austin Structured Cabling, LLC for installation of network and fiber optic cabling for Fire Station No. 1

With this agreement, General Services will establish a one-time purchase with Austin Structured Cabling for the installation of network and fiber optic cabling for the Fire Station 1 project. The agreement with Austin Structured Cabling is based on DIR Cooperative pricing. Austin Structured Cabling has performed service for the City of Round Information Technology and General Services Department. They have successfully completed past projects for the City including the Library and Parking Garage and Fire Station 3.

Cost: $151,880.35
Source of Funds*: *General Self Financed Construction
